219.702 Statutory requirements.

(a) Section 834 of Public Law 101-189, as amended, requires DoD to establish a test program to determine whether comprehensive subcontracting plans on a corporate, division, or plant-wide basis will reduce administrative burdens while enhancing subcontracting opportunities for small and small disadvantaged business concerns.

(1) From October 1, 1990, through September 30, 2005;

(2) In accordance with the DoD test plan, “Test Program for Negotiation of Comprehensive Small Business Subcontracting Plans”; and

(3) By the military departments and defense agencies through specifically designated contracting activities; and

(B) Permits contractors selected for participation in the test program by the designated contracting activities to—

(1) Negotiate plant, division, or company-wide comprehensive subcontracting plans instead of individual contract subcontracting plans; and

(2) Use the comprehensive plans when performing any DoD contract or subcontract that requires a subcontracting plan.

(ii) During the test period, comprehensive subcontracting plans will—

(A) Be negotiated on an annual basis by the designated contracting activities;
