(c)(1) The Contractor agrees to deliver under this contract only domestic end products unless, in its offer, it specified delivery of U.S. made, qualifying country, designated country, Caribbean Basin country, NAFTA country, or other nondesignated country end products in the Buy American Act—Trade Agreements—Balance of Payments Program Certificate provision of the solicitation.

(2) The Contractor may not supply a non-designated country end product unless—

(ii) The Contracting Officer has determined that offers of U.S. made end products or qualifying, designated, NAFTA, or Caribbean Basin country end products from responsive, responsible offerors are either not received or are insufficient to fill the Government's requirements; or

(d) The offered price of qualifying country end products and the offered price of designated country end products, NAFTA country end products, and Caribbean Basin country end products, for line items subject to the Trade Agreements Act or the North American Free Trade Agreement Implementation Act, should not include custom fees or duty. The offered price of end products listed in paragraph (c)(2)(vi) of the Buy American Act—Trade Agreements—Balance of Payments Program Certificate provision of the solicitation, or the offered price of U.S. made end products that contain nonqualifying country components, must include all applicable duty. The award price will not include duty for end products or components that are to be accorded duty-free entry. Generally, each offer of a U.S. made end product that does not meet the definition of "domestic end product" is adjusted for the purpose of evaluation by adding 50 percent of the offered price, inclusive of duty.
