

(10) An agreement by the Contractor that duty shall be paid by the Contractor to the extent that such supplies, or any portion (if not scrap or salvage), are diverted to non-governmental use other than as a result of a competitive sale made, directed, or authorized by the Contracting Officer.

(d) The Contractor agrees to incorporate the substance of this clause, including this paragraph (d), in any subcontract (including purchase orders) in accordance with paragraph (i) of the Duty-Free Entry clause of this contract. The Contractor agrees that the name and address of the Contracting Officer administering the prime contract (name and address of the contract administration office cognizant of the prime contract and its activity address number (appendix G of the Defense FAR Supplement)) and the information required by paragraphs (c)(1), (2), and (3) of this clause will be included in applicable subcontracts.

(e) To properly complete the shipping document instructions as required by paragraph (f) of the Duty-Free Entry clause, the Contractor shall insert Defense Contract Management (DCM) New York, ATTN: Customs Team, DCMDN-GNIC, 207 New York Avenue, Building 120, Staten Island, New York 10305-5013, as the cognizant contract administration office (for paragraph (f) only) in those cases when the shipment is consigned directly to a military installation. When the shipment will be consigned to a location other than a military installation, e.g., a domestic contractor's plant, change the shipping document notation required by paragraph (f) of the clause to insert the name and address of the Contractor, agent or broker that will prepare the customs documentation for execution of the Duty-Free Entry certificates. In either case, the shipping documents will contain the following items in addition to those required by paragraph (f) of the Duty-Free Entry clause:

- (1) Delivery order number on the Government prime contract, if applicable;
- (2) Number of the subcontract/purchase order for foreign supplies, if applicable;
- (3) Activity address number of the contract administration office actually administering the prime contract, e.g., for DCM Dayton, S3605A.

(f) Except for shipments consigned to a military installation, the Contractor shall prepare, or authorize an agent to prepare, any customs forms required for the entry into the United States, its possessions, or Puerto Rico of foreign supplies in connection with DoD contracts. The Contractor shall submit the completed customs forms to the District Director of Customs with a copy to DCM New York for execution of any required duty-free entry certificates. For shipments containing both supplies which are to be accorded duty-free entry and supplies which are not, the Contractor shall identify on the

customs forms those items which are eligible for duty-free entry under the provisions of the Duty-Free Entry clause. Shipments consigned directly to a military installation will be released in accordance with §§10.101 and 10.102 of the U.S. Customs regulations.

(g) The Contractor shall ensure that all exterior containers are marked in accordance with paragraph (g) of the Duty-Free Entry clause, including the following additional data—

(2) The activity address number for the contract administration office actually administering the prime contract.
