245.608-70

245.607-70 Scrap warranty.

(a) If the contractor sells its inventory as scrap to anyone, including a holding contractor, the contractor shall include in the sales contract a signed copy of DD Form 1639, Scrap Warranty.

(b) The contracting officer may release the contractor from the terms of the scrap warranty in return for consideration paid to the Government. The consideration will represent the difference between—

(1) The sale price of the scrap; and

(2) A fair and reasonable price for the material if it had been sold for purposes other than scrap.

(c) The contractor shall pay the consideration to the Government and the Government may execute the release even though the contract containing the warranty was not made directly with the Government.

(d) If the scrap is resold to a second buyer, the first buyer shall obtain a scrap warranty from the second buyer. Upon receipt of the second buyer's scrap warranty, the Government will release the first buyer from liability under the original warranty.

245.608 Screening of contractor inventory.

245.608-1 General.

(a) The plant clearance officer shall arrange for inspection of property at the contractor's plant if requested by a prospective transferee, in such a manner as to avoid interruption of the contractor's operations.

245.608-2 Standard screening.

(b)(1) For the first 30 days, property screening will be limited to the contracting agency and the requiring agency, when they are not the same. The requiring agency shall have priority for retention of listed items.

245.608-5 Special items screening.

(a) *Special test equipment with standard components.* (1) The contractor shall report any excess special test equipment (STE) using SF 1432, Inventory Schedule D (Special Tooling and Special Test Equipment). The contractor shall list and describe on the inventory schedule all general-purpose compo-

nents which, if economically severable from the STE, would otherwise be classified as industrial plant equipment (IPE), other plant equipment (OPE), or automatic data processing equipment (ADPE).

(2) The plant clearance officer will perform the initial screening of the composite STE unit.

(A) If the contracting department/agency and the requiring department/agency decline the STE or the standard components or do not approve their transfer to another contract; then,

(B) The plant clearance officer will screen the STE and any severable components with the—

(1) General Services Administration—STE unit, less any standard components, and nonreportable standard components;

(2) Defense Supply Center Richmond—IPE components;

(3) Contractor Inventory Redistribution System—OPE components; and

(4) Defense Information Systems Agency, Chief Information Officer, Defense Automation Resources Management Program Division—ADPE components.

245.608-7 Reimbursement of cost for transfer of contractor inventory.

The Defense Logistics Agency will pay for the movement of industrial plant equipment under the direction and control of the Defense Industrial Plant Equipment Center.

245.608-70 Contractor inventory redistribution system (CIRS).

(a) Screen serviceable and usable contractor inventory through CIRS when it—

(1) Is listed on SF 1428, Inventory Schedule B, or SF 1434, Inventory Schedule E; and

(2) Has a national stock number, and line item acquisition value in excess of \$50; or

(3) Has a line item acquisition value in excess of \$1,000 (\$500 for furniture) but no national stock number.

(b) Using Standard Form 120, Report of Excess Personal Property, the plant clearance officer will send two copies of SF 1428 or SF 1434 (or authorized
