

## Department of Defense

245.7203

### 245.7101-3 DD Form 1348-1, DoD Single Line Item Release/Receipt Document.

Use for shipments of excess industrial plant equipment and contractor inventory redistribution system (CIRS) inventory.

### 245.7101-4 DD Form 1640, Request for Plant Clearance.

Use to request plant clearance assistance or transfer plant clearance.

## Subpart 245.72—Special Instructions

### 245.7201 Performing inventory verification and determination of allocability.

Use the following guidance for verifying inventory schedules—

(a) *Allocability*. (1) Review contract requirements, delivery schedules, bills of material, and other pertinent material. Determine whether schedules include material which—

(i) Is more than required or reasonably expected to be required for completion of the contract; or

(ii) Might be usable on the current contract, or diverted to other commercial work or Government use.

(2) Review the contractor's—

(i) Recent purchases of similar material;

(ii) Plans for current and scheduled production;

(iii) Stock record entries; and

(iv) Bills of material for similar items.

(b) *Quantity*. Ensure available inventory is in accordance with quantities listed on the inventory schedules. While a complete physical count of each item is not required, perform sufficient checks to ensure accurate quantities.

(c) *Condition*. Ensure the inventory condition matches that shown on the inventory schedules.

### 245.7202 Establishing a plant clearance case.

(a) Upon receipt of an acceptable inventory schedule or a DD Form 1342, DoD Property Record, the plant clearance officer shall establish a plant clearance case file. The case folder will—

(1) Identify the case number (see 245.7203);

(2) Indicate the contractor's name and contract number;

(3) Note the word "Termination" if applicable; and

(4) Consolidate all inventory schedules applicable to one contract at the same location, if possible.

(b) As a minimum, include in the plant clearance case file—

(1) Inventory schedules or DD Form 1342, DoD Property Record, annotated to show all disposal actions;

(2) Copies of documents forwarding inventory schedules to the appropriate screening activity;

(3) Shipping or other instructions and correspondence directing disposition of contractor inventory;

(4) Shipping documents transferring inventory;

(5) Inventory verification survey or other documents showing completion of allocability review;

(6) Forms authorizing donation or sale;

(7) Document showing disposition of proceeds from plant clearance actions; and

(8) Any other documents pertinent to disposal actions, including review board cases, antitrust clearances, and inventory disposal reports.

### 245.7203 Assigning plant clearance case numbers.

(a) Use a three-part, 11-character number constructed as follows:

(1) Part 1: DoD Activity Address Number (6-character alphanumeric code) assigned to the contract administering activity.

(2) Part 2: Locally assigned 4-character consecutive alphanumeric code, beginning each calendar year with 001 continuing as necessary through ZZZ. The fourth digit is the last number of the calendar year.

(3) Part 3: The 11th character is a single letter identifying the department/agency:

C—Army

Q—Navy

E—Air Force

L—Marine Corps

U—Defense Logistics Agency

N—Defense Nuclear Agency

M—National Imagery and Mapping Agency

S—NASA
