245.7302 Competitive sales.

245.7302-1 Property descriptions.

- (a) Describe the property as "used" or "unused." Indicate if unused property is still in the manufacturer's original containers. Qualifying statements such as "well-preserved" or "repairs required" are authorized. Do not use condition codes or the terms "new" or "salvage."
- (b) Property descriptions must be accurate and adequate for identification by prospective bidders. Use commercial terminology and original manufacturer and brand name, if applicable.

- (a) Consider combining property into lots when the quantities, value, or nature of the property makes it uneconomical to sell separately.
- (b) When lotting is appropriate and economically practical—
- (1) Size the lots to encourage bidding by small businesses or individuals;
- (2) Lot unused items by make or manufacturer, except when quantities or dollar values are small;
- (3) Lot commercially similar items when practicable;
- (4) Lot used and unused items separately unless quantities, value, or nature of property makes it uneconomical to sell separately;
- (5) Size lots large enough to ensure the selling costs are not disproportionate to the anticipated proceeds.
