(iii) The nature, condition, quantity, and location of the property; and

(iv) Information from the Defense Reutilization and Marketing Service.

(2) Approve award to the responsible bidder whose bid is most advantageous to the Government, price and other factors considered. Award shall not be approved to any bidder who is not eligible to enter into a contract with the DoD due to inclusion on the list of Parties Excluded from Procurement Programs. If a compelling reason exists to award to a bidder on the excluded list, the plant clearance officer shall request approval from the headquarters of the administering activity.

(3) Notify the contractor within five working days of the bidder to whom an award shall be made. The contractor shall make the award, collect the proceeds of the sale, and release the property to the purchaser. The contractor shall provide the plant clearance officer with evidence of delivery reflecting actual quantities released to the purchaser.

When sale services are needed, the plant clearance officer will document the reasons in the case file and make arrangements directly with the Defense Reutilization and Marketing Service (DRMS) or General Services Administration (GSA). The arrangements will include a requirement to return all proceeds to the plant clearance officer for crediting in compliance with FAR 45.610-3.

245.7307 Non-competitive sales.

(4) FAR subpart 1.7 requirements are met.

(c) Non-competitive sales shall be at fair and reasonable prices not less than those reasonably expected under competitive sale.

(4) Sale to States, territories, possessions, political subdivisions thereof, or tax-supported agencies therein, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained;

(5) Specialized nature of the property would not create bidder interest;

(6) Removal of the property would reduce its value or result in disproportionate handling expenses; or

(7) Such action is essential to the Government's interests.

(b) The contracting department/agency will provide the contract administration office the sales justification and any special sales provisions when the department/agency decides to sell production equipment to the contractor by non-competitive sale.

245.7308 Antitrust notification.

(a) When contractor inventory with an estimated fair market value of \$3 million or more or any patents, processes, techniques, or inventions, regardless of cost, are sold or otherwise disposed of to private interests notify the Attorney General and the General Services Administration (GSA) of the proposed terms and conditions of disposal.
