217.7403 Policy.

DoD policy is that undefinitized contract actions shall—

- (a) Be used only when—
 - (1) The negotiation of a definitive contract action is not possible in sufficient time to meet the Government's requirements; and
 - (2) The Government's interest demands that the contractor be given a binding commitment so that contract performance can begin immediately.
- (b) Be as complete and definite as practicable under the particular circumstances.

217.7404 Limitations.

217.7404-1 Authorization.

The contracting officer shall obtain approval from the head of the contracting activity before—

- (a) Entering into a UCA. The request for approval must fully explain the need to begin performance before definitization, including the adverse impact on agency requirements resulting from delays in beginning performance.
- (b) Including requirements for non-urgent spare parts and support equipment in a UCA. The request should show that inclusion of the non-urgent items is consistent with good business practices and in the best interest of the United States.

(c) Modifying the scope of a UCA when performance has already begun. The request should show that the modification is consistent with good business practices and in the best interests of the United States.

217.7404-2 Price ceiling.

UCAs shall include a not-to-exceed price.

217.7404-3 Definitization schedule.

(a) UCAs shall contain definitization schedules that provide for definitization by the earlier of—

(1) The date that is 180 days after issuance of the action (this date may be extended but may not exceed the date that is 180 days after the contractor submits a qualifying proposal); or

(2) The date on which the amount of funds obligated under the contract action is equal to more than 50 percent of the not-to-exceed price.

(b) Submission of a qualifying proposal in accordance with the definitization schedule is a material element of the contract. If the contractor does not submit a timely qualifying proposal, the contracting officer may suspend or reduce progress payments under FAR 32.503-6, or take other appropriate action.

[56 FR 36345, July 31, 1991, as amended at 60 FR 29498, June 5, 1995; 63 FR 67803, Dec. 9, 1998]

217.7404-4 Limitations on obligations.

The Government shall not obligate more than 50 percent of the not-to-exceed price before definitization. However, if a contractor submits a qualifying proposal before 50 percent of the not-to-exceed price has been obligated by the Government, then the limitation on obligations before definitization may be increased to no more than 75 percent (see 232.102-70 for coverage on provisional delivery payments).

217.7404-5 Exceptions.

(a) The limitations in 217.7404-2, 217.7404-3, and 217.7404-4 do not apply to UCAs for the purchase of initial spares.
