Table 8. Resistance to Isoniazid with or without Rifampin Resistance in Reported TB Cases with No Previous TB by Origin: United States, 1993-2002

¹Isolates may be resistant to other drugs.

²Includes persons of unknown country of birth.

³Includes persons born outside the United States, American Samoa, the Federated States of Micronesia, Guam, the Republic of the Marshall Islands, Midway Island, the Commonwealth of the Northern Mariana Islands, Puerto Rico, the Republic of Palau, U.S. Virgin Islands, and U.S. minor and outlying Pacific islands.

Note: Data for all years updated through March 28, 2003.

More than 85% of all cases in each group had drug susceptibility test results reported for an initial isolate.

See Surveillance Slides #18, #19, #20, and #21.
