- (2) The alternate method or procedure is within the purpose of, and consistent with the effect intended by, the method or procedure prescribed by this part, and affords equivalent security to the revenue; and
- (3) The alternate method or procedure will not be contrary to any provision of law, and will not result in any increase in cost to the Government or hinder the effective administration of this part.
- (b) Application. A letter of application to employ an alternate method or procedure must be submitted to the appropriate TTB officer. The application shall specifically describe the proposed alternate method or procedure, and shall set forth the reasons therefor.
