

In addition, the person must include the penalty payable under 26 U.S.C. 6662 if the appropriate TTB officer determines that the underpayment was due to negligence or disregard of rules or regulations and advises the person to include the penalty as part of the adjustment. The appropriate TTB officer will provide information, when requested, regarding interest rates applicable to specific time periods and regarding any applicable penalties. In the case of a controlled group of bonded wine premises that took excess credits, all member proprietors who took incorrect credits must make tax adjustments as determined in this section. In the case of a small producer who instructed a transferee in bond to take credit as authorized by §24.278(b)(2), and subsequently determines that the credit was less or not applicable, that producer must immediately inform the transferee in bond, in writing, of the correct credit information. The transferee must make any increasing adjustment on its next tax return based on revised credit information given by the producer or a TTB officer.

(b) *Decreasing adjustments.* Where a person fails to deduct the credit or deducts less than the appropriate credit provided for by §24.278 during the calendar year, the person may file a claim for refund of excess tax paid. The claim must be filed in accordance with §24.69. In the case of wine removed on behalf of a small producer by a transferee in bond, if the transferee in bond was instructed to deduct credit and failed to deduct credit or deducted less than the appropriate credit and was later reimbursed for the tax by that producer, the transferee may file the claim. The provisions of 26 U.S.C. 6423 and 27 CFR part 70, subpart F, will apply, and the producer and transferee in bond must show that the conditions of §24.278(b)(2) were met.
