

Drawing Deficiency Action Form

In order to maintain accurate configuration management information for your vessel, MLCP needs your help. Please fill out (document is forms enabled) and forward this form to MLCP(vs-tech) any time you discover a problem with drawings. Mail this form to Supervisor, Technical Services Section, USCG MLCP(vs), 1301 Clay Street, Suite 800N, Oakland, CA 94612-5249, or fax to (510) 637-5945, or E-mail to Ryan.R.Young@USCG.mil.

What Drawing Gave You a Problem? Please cite the entire drawing number, including the vessel class and drawing revision level.

Describe the Problem. What's wrong? How was the problem discovered? Were you in an Availability? What Specification item referenced this drawing? Tell us everything.

Suggest a Solution. What should we do to correct this problem?
