*Note: Collection of Notice of Intent information required under 40 CFR 122.33(b)(1) is covered under Paperwork Reduction Act Information Collection Request # 1820.03, OMB NO.: 2040-0211, Expiration Date: 06/30/2006*

#### Attachments

1. Description of the storm water management program (SWMP), including best management practices (BMPs) that will be implemented and the associated measurable goals.
2. Summary of issues raised in any local public comments received by the MS4 Operator on the draft NOI/SWMP and MS4 operator's responses.
3. Description of how the Part 1.5 eligibility criteria for listed species and critical habitat have been met (see Part 1.5 and Appendix A)
4. Description of how the Part 1.6 eligibility criteria for historic properties have been met (see Part 1.6 and Appendix B).
5. If the MS4 discharges to a receiving water for which EPA has approved or developed a TMDL, describe how the eligibility requirements of Part 1.4.6 have been met.

*New Mexico* DEPARTMENT OF  
**TRANSPORTATION**  
MOBILITY FOR EVERYONE

December 19, 2007

**RE: Albuquerque Municipal Separate Storm Sewer Permit No. NMS000101;  
New Mexico Department of Transportation, Annual Expenditures**

In 2007 the New Mexico Department of Transportation expended approximately \$400,000 for contracted night time sweeping operations, \$270,000 for contracted weed and litter pickup, and \$25,000 for contracted culvert cleaning in the Albuquerque Metropolitan Area.

In addition, approximately \$1,200,000 was expended by the District Office of the Department of Transportation for in-house sweeping, litter pickup, and erosion control activities, including the purchase of 2 additional "Litter Patrol Van" and up to 8 temporary Highway Maintenance Workers.

The NMDOT also continues to contribute for public outreach and education, and storm water monitoring and testing, with approximately \$25,000 contributed in 2007.

The District Three Maintenance Section consistently looks for ways to improve operations and is currently evaluating opportunities for expanding litter pick-up operations through partnerships with the City of Albuquerque Judicial system, and the option to utilize community service workers during the work week on state roadways within the metropolitan area.
