

You are invited to join us in Waco, Texas, “The Heart of Texas”, on July 14-17, 2008 at the 10th Annual EPA Region 6 MS4 Operators Conference.

This conference is recommended for storm water managers and staff of Phase I and Phase II municipalities, federal facilities, regulatory officials and environmental professionals.

The conference provides an opportunity to share success stories; discuss challenges and meet new partners working with municipal storm water programs. Space is limited and priority will be given to Region 6 MS4 operators.
