		<u>\$4,204,490</u>	<u>532,866</u>	<u>\$4,737,360</u>	

LESS: Discretionary funding authority not exercised - 224,500
Earmarked & discretionary funding arthritis projects: 4,512,860

1/ RMP's recommended by NAC to be permitted to undertake approved arthritis activities up to indicated recommended level with "other" funds available to them. Only Tennessee Mid-South, and Washington/Alaska exercised this option at, respectively, \$138,500 and \$35,000.
