

shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China that were initiated on October 31, 2003 (68 FR 62774). Preliminary results of these reviews are extended until no later than July 30, 2004. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: May 4, 2004.

FOR FURTHER INFORMATION CONTACT: Scot Fullerton or Matt Renkey, Office of AD/CVD Enforcement VII, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-1386 or (202) 482-2312, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(1) of the regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations allow the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

The Department received timely requests for new shipper reviews of the antidumping order on freshwater crawfish tail meat from the People's Republic of China from the following: Qingdao Xiyuan Refrigerate Food Co., Ltd. (Qingdao Refrigerate); Siyang Foreign Trading Corporation (Siyang) and its producer, Anhui Golden Bird Agricultural Products Development Co., Ltd.; and Yancheng Fuda Foods Co., Ltd. (Yancheng Fuda). These requests were filed in accordance with section 751(a)(2)(B) of the Act and section 351.214 of the Department's regulations. On October 31, 2003, the Department initiated these new shipper reviews covering the period July 1, 2002, through August 31, 2003 for Siyang, and September 1, 2002 through August 31, 2003 for Qingdao Refrigerate and Yancheng Fuda. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of Antidumping New Shipper Reviews*,

November 6, 2003 (68 FR 62774). The preliminary results of these reviews were scheduled for April 28, 2004.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that these cases are extraordinarily complicated, and the preliminary results of these new shipper reviews cannot be completed within the statutory time limit of 180 days. The Department finds that these new shipper reviews are extraordinarily complicated because there are a number of issues that must be addressed. For example, the Department has issued supplemental questionnaires requesting additional information regarding ownership issues, as well as supplemental questions regarding relationships between various companies. Given the issues in this case, the Department may find it necessary to issue additional supplemental questionnaires in these new shipper reviews. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of the preliminary results to July 30, 2004.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: April 27, 2004.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.

Honey From Argentina: Extension of Time Limit for Final Results of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the 2001-2002 administrative review of the antidumping duty order on honey from

Argentina. This review covers five exporters of the subject merchandise to the United States and the period May 11, 2001 through November 30, 2002.

EFFECTIVE DATE: May 4, 2004.

FOR FURTHER INFORMATION CONTACT:

Brian J. Sheba at (202) 482-0145 or Donna Kinsella at (202) 482-0194, Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On December 31, 2002, the American Honey Producers Association and the Sioux Honey Association (collectively "petitioners") requested an administrative review of the antidumping duty order on honey from Argentina in response to the Department's notice of opportunity to request a review published in the **Federal Register**. See *Notice of Antidumping Duty Order: Honey from Argentina*, 66 FR 63672 (December 10, 2001). The petitioners requested the Department conduct an administrative review of entries of subject merchandise made by 21 Argentine producers/exporters. In addition, the Department received requests for review from 9 Argentine exporters. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 3009 (January 22, 2003).

The Department initiated the review for all companies. On January 17, 2003, petitioners withdrew their request for review of 14 companies and the Department granted this request. See *Notice of Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 13895 (March 21, 2003).

Based on withdrawals of request for review from Compania Apicola Argentina S.A. and Mielar S.A., the Department rescinded the review with respect to these two companies. See *Notice of Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 25568 (May 13, 2003). On August 13, 2003, Radix S.R.L. (Radix) and Compania Europeo Americana S.A. (CEASA), submitted letters of withdrawal of request for review. On the same date, petitioners also submitted a letter of withdrawal of request for review with respect to Radix and CEASA. The Department granted these requests and subsequently rescinded the review with respect to Radix and CEASA. See *Notice of Partial Rescission*

of Antidumping Duty Administrative Review, 68 FR 52386 (September 3, 2003).

Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the original time limit for the preliminary results of review was September 2, 2003. On July 23, 2003, we extended the time limit for the preliminary results of review to December 8, 2003. See *Honey From Argentina; Extension of Time Limit for Preliminary Results of Administrative Review*, 68 FR 43491. On November 26, 2003, the Department further extended the time limit for the preliminary results of review to December 31, 2003. See *Honey From Argentina; Extension of Time Limit for Preliminary Results of Administrative Review*, 68 FR 66399.

The Department published its preliminary results on January 6, 2004. See *Honey from Argentina: Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 621.

Notice of Extension

Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the original time limit for the final results of review was May 5, 2004. It is not practicable to complete this review within this time limit due to a number of significant case issues, such as sales below cost, the delayed collection of cost data, high inflation, and currency devaluation. Therefore, the Department is extending the time limit for completion of the final results of review until May 21, 2004 in accordance with section 751(a)(3)(A) of the Tariff Act.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act, and § 351.213(h)(2) of the Department's regulations.

Dated: April 28, 2004.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.

Certain Large Diameter Carbon and Alloy Seamless Standard, Line, and Pressure Pipe From Mexico; Intent To Rescind Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of intent to rescind antidumping duty administrative review.

SUMMARY: On September 30, 2003, we published the notice of initiation of this antidumping duty review with respect to Tubos de Acero de Mexico, S.A. (TAMSA). See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part and Deferral of Administrative Review, 68 FR 56262 (September 30, 2003) (Initiation Notice). We have preliminarily determined that this review should be rescinded.

EFFECTIVE DATE: May 4, 2004.

FOR FURTHER INFORMATION CONTACT: Kristina Boughton or Charles Riggie at (202) 482-8173 or (202) 482-0650, respectively; AD/CVD Enforcement Office 5, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2003, the Department of Commerce (the Department) published in the **Federal Register** the notice of opportunity to request an administrative review of the antidumping duty order on certain large diameter carbon and alloy seamless standard, line, and pressure pipe (SLP) from Mexico, for the period August 1, 2002, through July 31, 2003 (68 FR 45218). On September 2, 2003, we received a request from the petitioner¹ to review TAMSA. On September 30, 2003, we published the notice of initiation of this antidumping duty administrative review with respect to TAMSA. See Initiation Notice.

TAMSA submitted a letter on December 9, 2003, certifying that during the period of review (POR) neither it, nor its U.S. affiliate entered subject merchandise for consumption, or sold, exported, or shipped subject

merchandise for entry for consumption in the United States.

Scope of the Review

The products covered by this order are large diameter seamless carbon and alloy (other than stainless) steel standard, line, and pressure pipes produced, or equivalent, to the American Society for Testing and Materials (ASTM) A53, ASTM A106, ASTM A333, ASTM A334, ASTM A589, ASTM A795, and the American Petroleum Institute (API) 5L specifications and meeting the physical parameters described below, regardless of application, with the exception of the exclusions discussed below. The scope of this order also includes all other products used in standard, line, or pressure pipe applications and meeting the physical parameters described below, regardless of specification, with the exception of the exclusions discussed below. Specifically included within the scope of this order are seamless pipes greater than 4.5 inches (114.3 mm) up to and including 16 inches (406.4 mm) in outside diameter, regardless of wall-thickness, manufacturing process (hot finished or cold-drawn), end finish (plain end, beveled end, upset end, threaded, or threaded and coupled), or surface finish.

The seamless pipes subject to this order are currently classifiable under the subheadings 7304.10.10.30, 7304.10.10.45, 7304.10.10.60, 7304.10.50.50, 7304.31.60.50, 7304.39.00.36, 7304.39.00.40, 7304.39.00.44, 7304.39.00.48, 7304.39.00.52, 7304.39.00.56, 7304.39.00.62, 7304.39.00.68, 7304.39.00.72, 7304.51.50.60, 7304.59.60.00, 7304.59.80.30, 7304.59.80.35, 7304.59.80.40, 7304.59.80.45, 7304.59.80.50, 7304.59.80.55, 7304.59.80.60, 7304.59.80.65, and 7304.59.80.70 of the Harmonized Tariff Schedule of the United States (HTSUS).

Specifications, Characteristics, and Uses: Large diameter seamless pipe is used primarily for line applications such as oil, gas, or water pipeline, or utility distribution systems. Seamless pressure pipes are intended for the conveyance of water, steam, petrochemicals, chemicals, oil products, natural gas and other liquids and gasses in industrial piping systems. They may carry these substances at elevated pressures and temperatures and may be subject to the application of external heat. Seamless carbon steel pressure pipe meeting the ASTM A106 standard may be used in temperatures of up to 1000 degrees Fahrenheit, at various American Society of Mechanical

¹ The petitioner is United States Steel Corporation.
