HUD will use the Payment Voucher to monitor use of grant funds for eligible activities over the term of the grant. The Grantee may similarly use the Payment Voucher to track and record their requests for payment reimbursement for grant-funded activities.

Title of Proposal: Annual Adjustment Factor (AAF) Rent Increase Requirements.

OMB Control Number, if applicable: 2502-0507.

Description of the need for the information and proposed use: On September 28, 1994, Congress enacted the Housing Appropriations Act that authorized HUD's spending authority for Fiscal Year 1995. Among the many measures developed in the bill, emphasis was placed on utilizing the mechanism in the Section 8 Housing Assistance Payment (HAP) contract language that permits an analysis on the reasonableness of the Annual Adjustment Factor (AAF) formula as it's applied to each project unit type. Under this law, review of the AAF under the Overall Limitation clause of the HAP contract would apply only to Section 8 New Construction and Substantial Rehabilitation properties where Section 8 rent levels for a unit type presently exceed the published existing housing fair market rents (FMR's). For Section 8 New Construction and Substantial Rehabilitation properties where rent levels for particular unit type do not exceed the existing AFMR and for all other Section 8 contract types without regard for current rent level, review under the overall-limitation clause of the contract would not occur and the method of rent adjustment would be the appropriately published AAF.
