**Program Exclusions: May 2004**

**AGENCY:** Office of Inspector General, HHS.

**ACTION:** Notice of program exclusions.

During the month of May 2004, the HHS Office of Inspector General imposed exclusions in the cases set

forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.

#### **Draft Comprehensive Conservation Plan and Environmental Assessment for the Detroit River International Wildlife Refuge (IWR), Wayne and Monroe Counties, MI**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** The U.S. Fish and Wildlife Service announces that the Draft Comprehensive Conservation Plan (CCP) and Environmental Assessment (EA) is available for Detroit River IWR, Michigan.

The CCP was prepared pursuant to the National Wildlife Refuge System Administration Act of 1966, as amended by the National Wildlife Refuge System Improvement Act of 1997, and the National Environmental Policy Act of 1969. Goals and objectives in the CCP describe how the agency intends to manage the Refuge over the next 15 years.

**DATES:** Written comments on the Draft CCP and EA must be received by close of business, July 23, 2004.

**ADDRESSES:** To request a copy of the plan or to submit comments on the plan you may use one of the following methods:

1. You may write to: U.S. Fish and Wildlife Service, Branch of Conservation Planning, BHW Federal Building, 1 Federal Drive, Ft. Snelling, Minnesota 55111-4056.
2. Go to the Refuge Web site: <http://midwest.fws.gov/planning/detroitriver/index.html>.
3. E-mail us at: [r3planning@fws.gov](mailto:r3planning@fws.gov).

**FOR FURTHER INFORMATION CONTACT:** Gary Muehlenhardt at 612/713-5477.

**SUPPLEMENTARY INFORMATION:** The approved boundary of the Detroit River IWR is located along 48 miles of the lower Detroit River and Michigan's Lake Erie shoreline to the Ohio state border. The Refuge was established by legislation in December 2001 and expanded in May 2003. Refuge land ownership is currently small and limited to several islands in the Detroit River and two coastal parcels in Monroe County. The key biological focus of the

refuge is protecting and enhancing remnant coastal wetlands and island habitats for the benefit of migratory birds; especially diving waterfowl.

The planning process for this CCP began in April 2002. A series of open house events, meetings, and workshops were held in local communities throughout the following year.

The EA evaluates three different approaches, or alternatives, to future management and growth of the Detroit River IWR. Alternative C, Leading through Partnerships, is the agency's preferred alternative. Under this alternative, the Detroit River IWR would seek to serve as a focal point for the many ongoing conservation efforts on the Detroit River and surrounding watersheds. The Service would continue to direct habitat protection efforts but with an emphasis on cooperative management instead of fee ownership. The refuge land base would grow primarily through management agreements with private industry and government agencies.

The CCP also identifies wildlife-dependent recreational opportunities available to the public, including hunting, fishing, wildlife observation and photography, and environmental education and interpretation. Wildlife-dependent recreational uses would be encouraged on future refuge-owned lands where it is safe and appropriate.

Dated: December 24, 2003.
