5 CFR Part 575

RIN 3206–AK01

Extended Assignment Incentives

AGENCY: Office of Personnel Management.

ACTION: Final rule.

SUMMARY: The Office of Personnel Management is issuing final regulations on extended assignment incentives, which provide additional flexibility to assist agencies in retaining experienced, well-trained employees in a United States territory, possession, or commonwealth for longer than the employee's initial tour of duty.

DATES: The final regulations are effective on June 16, 2004.

FOR FURTHER INFORMATION CONTACT: Vicki Lynn Draper by telephone at (202) 606–2858; by fax at (202) 606–4264; or by e-mail at *pay-performance-policy@opm.gov*.

SUPPLEMENTARY INFORMATION: On September 12, 2003, the Office of Personnel Management published interim regulations (68 FR 53667) to implement a statutory amendment that authorized the payment of extended assignment incentives. Section 207 of the 21st Century Department of Justice Appropriations Authorization Act (Pub. L. 107–273, November 2, 2002), added a new section 5757 to chapter 57 of title 5, United States Code, to permit the head of an executive agency to pay an extended assignment incentive to certain Federal employees assigned to positions located in a territory or possession of the United States, the Commonwealth of Puerto Rico, or the Commonwealth of the Northern Mariana Islands. The 60-day comment period for the interim regulations ended on November 12, 2003. We received no comments from either agencies or individuals. Therefore, we are adopting the interim regulations as final, with

one minor correction of a regulation citation at § 575.513(a).

Regulatory Flexibility Act

I certify that these regulations will not have a significant economic impact on a substantial number of small entities because they will affect only Federal agencies and employees.
