II. Discussion of the Supplementary Rules

These supplementary rules would apply to the public lands within the Mt. Diablo Meridian, Township 7 North Range 3 West Section 1, W $\frac{1}{2}$ Lot 2 in the NE $\frac{1}{4}$, 38.38 acres; Section 1, W $\frac{1}{2}$ Lot 1 in the NE $\frac{1}{4}$, 40 Acres; Section 2, SE $\frac{1}{4}$ NE $\frac{1}{4}$, 40 Acres; Township 8 North Range 3 West Section 25, SE $\frac{1}{4}$ NE $\frac{1}{4}$, S $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$, W $\frac{1}{2}$ SE $\frac{1}{4}$, 360 Acres; Section 26, SE $\frac{1}{4}$ NE $\frac{1}{4}$, 40 acres; Section 35, NE $\frac{1}{4}$ NE $\frac{1}{4}$, 40 acres. The supplementary rules would prohibit the use of firearms and paintball weapons within the Quail Ridge Area.

III. Procedural Matters

Regulatory Planning and Review (E.O. 12866)

These supplementary rules are not significant and are not subject to review by the Office of Management and Budget under Executive Order 12866.

(1) The supplementary rules will not have an effect of \$100 million or more on the economy. They will not adversely affect in a material way the economy, productivity, competition, jobs, the environment, public health or safety, or state, local or tribal governments or communities.

(2) The supplementary rules will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency.

(3) These supplementary rules do not alter the budgetary effects or entitlements, grants, user fees, or loan programs or the rights or obligations of their recipients.

(4) The supplementary rules do not raise novel legal or policy issues.

The supplementary rules contain rules of conduct for public use of a limited selection of public lands.

Regulatory Flexibility Act

The Department of the Interior certifies that these supplementary rules

will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The supplementary rules merely contain rules of conduct for public use of a limited selection of public lands.

Small Business Regulatory Enforcement Fairness Act (SBREFA)

These supplementary rules are not major under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. The rules:

Do not have an annual effect on the economy of \$100 million or more.

Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.

Do not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

Unfunded Mandates Reform Act

These supplementary rules do not impose an unfunded mandate on state, local, or tribal governments or the private sector of more than \$100 million per year. They do not have a significant or unique effect on state, local, or tribal governments or the private sector. The rules have no effect on governmental or tribal entities. The supplementary rules would impose no requirements on any of these entities. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

National Environmental Policy Act

BLM has determined that these proposed supplementary rules, which would prohibit discharge of firearms and paintball weapons in public lands on Quail Ridge, qualify as policies, directives, regulations, or guidelines of an administrative, financial, legal, technical, or procedural nature. The subject area would still be open to other uses. The restriction would improve the protection of the resources. Therefore, they are categorically excluded from environmental review under section 102(2)(C) of the National Environmental Policy Act, pursuant to 516 Departmental Manual (DM), Chapter 2, Appendix 1. In addition, the interim final supplementary rules do not meet any of the 10 criteria for exceptions to categorical exclusions listed in 516 DM, Chapter 2, Appendix 2. Pursuant to Council on Environmental Quality regulations (40 CFR 1508.4) and the environmental policies and procedures of the Department of the Interior, the

term "categorical exclusions" means a category of actions which do not individually or cumulatively have a significant effect on the human environment and that have been found to have no such effect in procedures adopted by a Federal agency and for which neither an environmental assessment nor an environmental impact statement is required.

Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights (Takings)

The proposed supplementary rules do not represent a government action capable of interfering with Constitutionally protected property rights. The rules would apply only on public lands and would not affect the real or personal property of any individual or entity. Therefore, the Department of the Interior has determined that the supplementary rules would not cause a taking of private property or require further discussion of takings implications under this Executive Order.

Executive Order 13132, Federalism [Replaces Executive Orders 12612 and 13083.]

The proposed supplementary rules would not have a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. The supplementary rules would impose no requirements on states or have any effect on Federal-state relations. Therefore, in accordance with Executive Order 13132, BLM has determined that these proposed supplementary rules do not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

Executive Order 12988, Civil Justice Reform

Under Executive Order 12988, the Office of the Solicitor has determined that these proposed supplementary rules would not unduly burden the judicial system and that they meet the requirements of sections 3(a) and 3(b)(2) of the Order.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments [Replaces Executive Order 13084]

In accordance with Executive Order 13175, we have found that these supplementary rules do not include policies that have tribal implications. The supplementary rules would impose

no requirements on tribes or tribal governments or have any effect on Federal-tribal relations. The prohibitions in the supplementary rules would apply equally to all persons, including Indian individuals, who visit or use the parcels of public land on which they apply.

Paperwork Reduction Act

These supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

Author

The principal author of these supplementary rules is Walter Gabler, Law Enforcement Ranger at the Bureau of Land Management, Ukiah Field Office, California.

Sec. 1 Prohibited acts.

Under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)) and 43 CFR 8360.0-7 if you violate these supplementary rules on public lands within the boundaries established, you may be tried before a United States Magistrate and fined no more than \$1,000 or imprisoned for no more than 12 months, or both.
