AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation") has submitted a public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995, Pub. L. 104-13, (44 U.S.C. Chapter 35). Copies of this ICR, with applicable supporting documentation, may be obtained by calling the Corporation for National and Community Service, Mr. Nathan Dietz, at (202) 606-5000, extension 287, (*Ndietz@cns.gov*); (TTY/TDD) at (202) 606-5256 between the hours of 9 a.m. and 4 p.m. eastern standard time, Monday through Friday.

Comments may be submitted, identified by the title of the information collection activity, by any of the following two methods within 30 days from the date of publication in this **Federal Register**:

(1) By fax to: (202) 395-6974, Attention: Ms. Katherine Astrich, OMB Desk Officer for the Corporation for National and Community Service; and

(2) Electronically by e-mail to: *Katherine.T.Astrich@omb.eop.gov*.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including

whether the information will have practical utility;

- Evaluate the accuracy of the Corporation's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Propose ways to enhance the quality, utility and clarity of the information to be collected; and

- Propose ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

The Corporation seeks to reinstate its previously used Accomplishments Survey to collect information about local project volunteer activities, inputs, and accomplishments. This study will be conducted under contract with Westat, Inc. (#CNC SHQC03003, Task Order #WES03T001). This information will be used by the Corporation to prepare its Annual Performance Reports, and to respond to ad hoc requests from Congress and other interested parties.

The revised Accomplishment Surveys for National Senior Service Corps Programs will be distributed to samples of volunteer stations for each program. Local grantees, or projects, place volunteers in local organizational settings where they are supervised by organizational staff. These volunteer station supervisors will complete the survey.

Comments

A 60-day public comment Notice was published in the **Federal Register** on November 4, 2003. This comment period ended on January 5, 2004 and resulted in two comments being received. Those comments are addressed below:

Two respondents submitted public comments in response to the announcement. The public comments and Corporation's responses are as follows:

Comment: Project directors (Senior Corps grantees) have been asked on previous data collections to follow up with nonrespondents. This is extra work.

Response: Project directors will not be asked to follow up with volunteer stations that are the survey respondents. The Corporation, working with its contractor, will be responsible for following up with volunteer stations that do not submit surveys.
