Suspension Agreements

None.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act, may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 69 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://www.ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for

Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of February 2004. If the Department does not receive, by the last day of February 2004, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: January 29, 2004.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Group II for Import Administration.

Bulk Aspirin from the People's Republic of China: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Partial Rescission of Third Administrative Review.

SUMMARY: On August 22, 2003, the Department of Commerce ("the Department") published a notice of initiation of an administrative review of the antidumping duty order on bulk aspirin from the People's Republic of China (68 FR 50750). This review covers sales of bulk aspirin to the United States during the period July 1, 2002 through June 30, 2003. Based on a request for withdrawal of the review with respect to Jilin Henghe Pharmaceutical Company Ltd. ("Jilin"), we are rescinding, in part, the third administrative review.

EFFECTIVE DATE: February 3, 2004.

FOR FURTHER INFORMATION CONTACT: Julie H. Santoboni, Office 1, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW.,

Washington DC 20230; telephone (202) 482-4194.

SUPPLEMENTARY INFORMATION:

Background

On July 2, 2003, the Department published in the **Federal Register** a notice of the opportunity to request an administrative review in the above-cited segment of the antidumping duty proceeding (see 68 FR 39511). We received a timely filed request for review of Jilin and Shandong Xinhua Pharmaceutical Factory, Ltd. ("Shandong") from Rhodia, Inc. ("Rhodia"), the petitioner in this case. On August 22, 2003, we initiated an administrative review of Jilin and Shandong (68 FR 50750).

On January 5, 2004, Rhodia withdrew its request for review of Jilin. Although this withdrawal was received by the Department after the regulatory deadline of November 20, 2003, 19 CFR 351.213(d)(1) permits the Department to extend the deadline if "it is reasonable to do so." Because the petitioner was the only party to request the review, we find it is reasonable to extend the deadline to withdraw the review request.

Partial Rescission of Antidumping Administrative Review

In accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review with respect to Jilin.

Shandong remains a respondent in this administrative review.

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For Jilin, from July 1, 2002 through September 29, 2002, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

Pursuant to a final court decision, which excluded Jilin from the order effective September 30, 2002, entries of subject merchandise from Jilin, entered or withdrawn from the warehouse on or after September 30, 2002, have been liquidated without regard to antidumping duties. See *Bulk Aspirin From the People's Republic of China: Notice of Amended Final Determination and Amended Order Pursuant to Final Court Decision*, 68 FR 75208 (December 30, 2003) ("Amended Order").

The Department will issue appropriate assessment instructions

directly to the CBP within 15 days of publication of this notice.

Cash Deposit Rates

As mentioned above in the assessment section of this notice, because Jilin is excluded from the order effective September 30, 2002 (see *Amended Order*), no cash deposit is required from Jilin.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended and 19 CFR 351.213(d)(4).

Dated: January 28, 2004.

Assistant Secretary for Import Administration.

On August 14, 2003, the United States International Trade Commission (ITC) preliminarily determined that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of ironing tables from the PRC.
