

and a national market system; and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers or dealers. By adopting the extension of the current exemption, the Exchange avoids burdening specialists with the obligation to fill an order in circumstances where an external event triggered the execution obligation and the specialist could not access trading at that price.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-Phlx-2004-20. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, comments should be sent in hardcopy or by e-mail but not by both methods. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should be submitted by April 19, 2004.

IV. Discussion

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹⁹ In particular, the Commission finds that the proposed rule is consistent with the requirements of Section 6(b)(5) of the Act²⁰ because it is designed to facilitate transactions in securities; to remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers or dealers.

The Commission believes that by extending the Exchange's proposed exemption for its members, the Exchange would remove the specialist's obligation to provide trade-through protection in situations where it will not be permitted to seek satisfaction through ITS from the primary market. This obligation was one the Phlx assumed voluntarily in order to make its market more attractive to sources of order flow, not an obligation the Act imposes on a market. The Commission believes that the business decision to potentially forego order flow by no longer providing print protection is a judgment the Act allows the Phlx to make.²¹

The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after the date of the publication of notice thereof in the **Federal Register**. The Commission is granting accelerated approval in order to prevent a lapse in the effectiveness of the Exchange's rules regarding a Phlx specialist's obligation to provide trade-through protection in certain securities.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²² that the proposed rule change (SR-Phlx-2004-20) is approved on an accelerated basis and is effective retroactively to March 4, 2004.

¹⁹In approving this rule proposal, the Commission notes that it has also considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

²⁰ 15 U.S.C. 78f(b)(5).

²¹ The Commission notes that the Phlx's proposed rule change will remain in effect only until the expiration of the extension of Commission's ITS Exemption Order on December 4, 2004.

²² 15 U.S.C. 78f(b)(2).

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²³

Margaret H. McFarland,
Deputy Secretary.
