§2.51 Public assemblies, meetings.

(a) Public assemblies, meetings, gatherings, demonstrations, parades and other public expressions of views are allowed within park areas, provided a permit therefor has been issued by the superintendent.

(b) An application for such a permit shall set forth the name of the applicant; the date, time, duration, nature and place of the proposed event; an estimate of the number of persons expected to attend; a statement of equipment and facilities to be used and any other information required by the permit application form.

(c) The superintendent shall, without unreasonable delay, issue a permit on proper application unless:

(1) A prior application for a permit for the same time and place has been made that has been or will be granted and the activities authorized by that

permit do not reasonably allow multiple occupancy of that particular area; or

(2) It reasonably appears that the event will present a clear and present danger to the public health or safety; or

(3) The event is of such nature or duration that it cannot reasonably be accommodated in the particular location applied for, considering such things as damage to park resources or facilities, impairment of a protected area's atmosphere of peace and tranquillity, interference with program activities, or impairment of public use facilities.

(d) If a permit is denied, the applicant shall be so informed in writing, with the reason(s) for the denial set forth.

(e) The superintendent shall designate on a map, that shall be available in the office of the superintendent, the locations available for public assemblies. Locations may be designated as not available only if such activities would:

(3) Unreasonably interfere with interpretive, visitor service, or other program activities, or with the administrative activities of the National Park Service; or

Such a revocation shall be made in writing, with the reason(s) for revocation clearly set forth, except under emergency circumstances, when an immediate verbal revocation or suspension may be made to be followed by written confirmation within 72 hours.

(j) Violation of the terms and conditions of a permit issued in accordance with this section may result in the suspension or revocation of the permit.

§ 2.52 Sale or distribution of printed matter.

(a) The sale or distribution of printed matter is allowed within park areas, provided that a permit to do so has been issued by the superintendent, and provided further that the printed matter is not solely commercial advertising.

(1) A prior application for a permit for the same time and location has been made that has been or will be granted and the activities authorized by that permit do not reasonably allow multiple occupancy of the particular area; or

(2) It reasonably appears that the sale or distribution will present a clear and present danger to the public health and safety; or

(3) The number of persons engaged in the sale or distribution exceeds the

number that can reasonably be accommodated in the particular location applied for, considering such things as damage to park resources or facilities, impairment of a protected area's atmosphere of peace and tranquility, interference with program activities, or impairment of public use facilities; or

(4) The location applied for has not been designated as available for the sale or distribution of printed matter; or

(5) The activity would constitute a violation of an applicable law or regulation.

(d) If a permit is denied, the applicant shall be so informed in writing, with the reason(s) for the denial set forth.

(e) The superintendent shall designate on a map, which shall be available for inspection in the office of the superintendent, the locations within the park area that are available for the sale or distribution of printed matter. (1) Cause injury or damage to park resources; or

(2) Unreasonably impair the atmosphere of the peace and tranquility maintained in wilderness, natural, historic, or commemorative zones; or

(3) Unreasonably interfere with interpretive, visitor service, or other program activities, or with the administrative activities of the National Park Service; or

(4) Substantially impair the operation of public use facilities or services of National Park Service concessioners or contractors.
