(i) A permit may be revoked under any of those conditions, as listed in paragraph (c) of this section, that constitute grounds for denial of a permit, or for violation of the terms and conditions of the permit. Such a revocation shall be made in writing, with the reason(s) for revocation clearly set forth, except under emergency circumstances, when an immediate verbal revocation or suspension may be made to be followed by written confirmation within 72 hours.

(j) Violation of the terms and conditions of a permit issued in accordance with this section may result in the suspension or revocation of the permit.

§ 2.52 Sale or distribution of printed matter.

(a) The sale or distribution of printed matter is allowed within park areas, provided that a permit to do so has been issued by the superintendent, and provided further that the printed matter is not solely commercial advertising.

(b) An application for such a permit shall set forth the name of the applicant, the name of the organization (if any), the date, time, duration, and location of the proposed sale or distribution, the number of participants, and any other information required by the permit application form.

(c) The superintendent shall, without unreasonable delay, issue a permit on proper application unless:

(1) A prior application for a permit for the same time and location has been made that has been or will be granted and the activities authorized by that permit do not reasonably allow multiple occupancy of the particular area; or

(2) It reasonably appears that the sale or distribution will present a clear and present danger to the public health and safety; or

(3) The number of persons engaged in the sale or distribution exceeds the

number that can reasonably be accommodated in the particular location applied for, considering such things as damage to park resources or facilities, impairment of a protected area's atmosphere of peace and tranquility, interference with program activities, or impairment of public use facilities; or

(4) The location applied for has not been designated as available for the sale or distribution of printed matter; or

(5) The activity would constitute a violation of an applicable law or regulation.

(d) If a permit is denied, the applicant shall be so informed in writing, with the reason(s) for the denial set forth.

(e) The superintendent shall designate on a map, which shall be available for inspection in the office of the superintendent, the locations within the park area that are available for the sale or distribution of printed matter. Locations may be designated as not available only if the sale or distribution of printed matter would:

(1) Cause injury or damage to park resources; or

(2) Unreasonably impair the atmosphere of the peace and tranquility maintained in wilderness, natural, historic, or commemorative zones; or

(3) Unreasonably interfere with interpretive, visitor service, or other program activities, or with the administrative activities of the National Park Service; or

(4) Substantially impair the operation of public use facilities or services of National Park Service concessioners or contractors.

(5) Present a clear and present damage to the public health and safety.

(f) The permit may contain such conditions as are reasonably consistent with protection and use of the park area for the purposes for which it is established.

(g) No permit shall be issued for a period in excess of 14 consecutive days, provided that permits may be extended for like periods, upon a new application, unless another applicant has requested use of the same location and multiple occupancy of that location is not reasonably possible.

(h) It is prohibited for persons engaged in the sale or distribution of printed matter under this section to obstruct or impede pedestrians or vehicles, harass park visitors with physical contact or persistent demands, misrepresent the purposes or affiliations of those engaged in the sale or distribution, or misrepresent whether the printed matter is available without cost or donation.

(i) A permit may be revoked under any of those conditions, as listed in paragraph (c) of this section, that constitute grounds for denial of a permit, or for violation of the terms and conditions of the permit. Such a revocation shall be made in writing, with the reason(s) for revocation clearly set forth, except under emergency circumstances, when an immediate verbal revocation or suspension may be made, to be followed by written confirmation within 72 hours.

(j) Violation of the terms and conditions of a permit issued in accordance with this section may result in the suspension or revocation of the permit.

§ 2.60 Livestock use and agriculture.

(a) The running-at-large, herding, driving across, allowing on, pasturing or grazing of livestock of any kind in a park area or the use of a park area for agricultural purposes is prohibited, except:

(1) As specifically authorized by Federal statutory law; or

(2) As required under a reservation of use rights arising from acquisition of a tract of land; or

(3) As designated, when conducted as a necessary and integral part of a recreational activity or required in order to maintain a historic scene.

(b) Activities authorized pursuant to any of the exceptions provided for in paragraph (a) of this section shall be allowed only pursuant to the terms and conditions of a license, permit or lease. Violation of the terms and conditions of a license, permit or lease issued in accordance with this paragraph is prohibited and may result in the suspension or revocation of the license, permit, or lease.

(c) *Impounding of livestock.* (1) Livestock trespassing in a park area may be impounded by the superintendent

and, if not claimed by the owner within the periods specified in this paragraph, shall be disposed of in accordance with applicable Federal and State law.

(2) In the absence of applicable Federal or State law, the livestock shall be disposed of in the following manner:

(i) If the owner is known, prompt written notice of impoundment will be served, and in the event of the owner's failure to remove the impounded livestock within five (5) days from delivery of such notice, it will be disposed of in accordance with this paragraph.

(ii) If the owner is unknown, disposal of the livestock shall not be made until at least fifteen (15) days have elapsed from the date that a notice of impoundment is originally published in a newspaper of general circulation in the county in which the trespass occurs or, if no such newspaper exists, notification is provided by other appropriate means.

(iii) The owner may redeem the livestock by submitting proof of ownership and paying all expenses of the United States for capturing, advertising, pasturing, feeding, impounding, and the amount of damage to public property injured or destroyed as a result of the trespass.

(iv) In determining the claim of the government in a livestock trespass, the value of forage consumed shall be computed at the commercial rates prevailing in the locality for the class of livestock found in trespass. The claim shall include the pro rata salary of employees for the time spent and the expenses incurred as a result of the investigation, reporting, and settlement or prosecution of the claim.

(v) If livestock impounded under this paragraph is offered at public sale and no bid is received, or if the highest bid received is less than the amount of the claim of the United States or of the officer's appraised value of the livestock, whichever is the lesser amount, such livestock, may be sold at private sale for the highest amount obtainable, condemned and destroyed, or converted to the use of the United States.
