On domestic sales, Pfizer would be able to choose the lower duty rate (duty free) that applies to the finished product, rather than the duty rate on the foreign-sourced chemicals listed above, which are dutiable at rates from 3.7 to 6.5 percent. The request indicates that the savings from utilizing FTZ procedures would help improve the plant's international competitiveness.

Certain Pasta From Turkey: Extension of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 4, 2004.

FOR FURTHER INFORMATION CONTACT: Mark Young at (202) 482-6397, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue (1) the preliminary results of a review within 245 days after the last day of the anniversary month of an order or finding for which a review is requested, and (2) the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and the final results to a maximum of 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results. *See also* 19 CFR 351.213(h)(2).

Background

On August 22, 2003, the Department published a notice of initiation of the administrative review of the antidumping duty order on certain pasta from Turkey, covering the period July 1, 2002, to June 30, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 50750. On March 17, 2004, the Department fully extended the preliminary results of the aforementioned review by 120 days. *See Certain Pasta from Italy and Turkey: Extension of Preliminary Results of 2002/2003 Antidumping Duty Administrative Reviews*, 69 FR 12641. On August 6, 2004, the Department published the preliminary results of its review. *See Certain Pasta From Turkey: Notice of Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 47876. The final results

of this review are currently due no later than December 6, 2004.

Extension of Final Results of Reviews

We determine that it is not practicable to complete the final results of this review within the original time limit because the Department needs additional time to fully consider parties' arguments regarding the proposed modifications to the wheat codes and rejection of untimely submissions. Therefore, we are extending the deadline for the final results of the above-referenced review until February 2, 2005.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 29, 2004.

Jeffrey A. May,

Deputy Assistant Secretary for Import Administration.
