Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department's regulations regarding sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet web site at the following address: <http://ia.ita.doc.gov/sunset/>.

All submissions in these sunset reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset web site for any updates to the appropriate service list before filing any submissions. The Department will make additions to and/or deletions from the service lists provided on the sunset web site based on notifications from parties and participation in these reviews. Specifically, the Department will delete from the relevant service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required From Interested Parties

Domestic interested parties (defined in 19 CFR 351.102(b) and section 771 (9)(C), (D), (E), (F), and (G) of the Act) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate in accordance with 19 CFR

351.218(d)(1)(i). The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, with regard to each order identified above, if we do not receive an order-specific notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order or finding without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. See 19 CFR 351.218(d)(3)(i). The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic interested parties. Also, note that the Department's information requirements are distinct from the ITC's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

Dated: August 24, 2004.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

Background

On July 2, 2004, the Department of Commerce (the "Department") preliminarily determined that certain frozen and canned warmwater shrimp from the People's Republic of China ("PRC") are being, or are likely to be, sold in the United States at less than fair value ("LTFV"), as provided in section 733(a) of the Tariff Act of 1930, as amended ("the Act"). See *Notice of Preliminary Determination of Sales at Less Than Fair Value, Partial Affirmative Preliminary Determination of Critical Circumstances and Postponement of Final Determination: Certain Frozen and Canned Warmwater Shrimp from the People's Republic of China* ("Preliminary Determination"), 69 FR 42654 (July 16, 2004).

On July 13, 2004, Allied Pacific Food (Dalian) Co. Ltd., Allied Pacific (H.K.) Co., Ltd., King Royal Investments, Ltd., Allied Pacific Aquatic Products (Zhanjiang) Co., Ltd., Allied Pacific Aquatic Products (Zhongshan) Co., Ltd. (collectively, "Allied Pacific"), Yelin Enterprise Co. Hong Kong, Yangjiang City Yelin Hoitat Quick Frozen Seafood Co., Ltd., Fuqing Yihua Aquatic Products Co., Ltd., Shantou Yelin Frozen Seafood Co. (collectively, "Yelin"; both Yelin and Allied Pacific are collectively referred to as "the Mandatory Respondents") timely filed allegations that the Department made ministerial errors in its Preliminary Determination.

On July 13, 2004, Zhejiang Cereals, Oils & Foodstuffs Import & Export Co., Ltd., ("Zhejiang Cereals"), ZJ CNF Sea Products Engineering Ltd., CNF Zhanjiang (Tong Lian) Fisheries Co., Ltd., Zhoushan Xifeng Aquatic Co., Ltd., Zhejiang Daishan Baofa Aquatic Product Co., Ltd., Zhejiang Taizhou Lingyang Aquatic Products Co., Zhoushan Juntai Foods Co., Ltd., Zhoushan Zhenyang Developing Co., Ltd., Zhejiang Cereals, Oils & Foodstuffs Import & Export Co., Ltd., Zhoushan Diciyuan Aquatic Products Co., Ltd., Zhejiang Zhenglong Foodstuffs Co., Ltd., Zhejiang Evernew Seafood Co., Ltd., Jinfu Trading Co., Ltd., Taizhou Zhonghuan Industrial Co., Ltd., Shanghai Linghai Fisheries Economic & Trading Co., Ltd., Asian Seafoods (Zhanjiang) Co., Ltd., ("Asian"), Shantou Sez Xuhao Fastness Freeze Aquatic Factory Co., Ltd., ("Shantou Sez Xu"), Shantou Yuexing Enterprise Company ("Shantou Yuexing"), Shantou Shengping Oceanstar Business Co., Ltd. ("Shantou

Oceanstar") and Hainan Golden Spring Foods Co., Ltd., ("Hainan Golden"), (collectively "Section A Respondents"), timely filed allegations that the Department made ministerial errors in its Preliminary Determination.

On August 3, 2004, the Department requested that the Mandatory Respondents resubmit their ministerial error comments in accordance with 19 CFR 351.224(d). On August 9, 2004, the Mandatory Respondents filed revised ministerial error comments.

Significant Ministerial Error

A ministerial error is defined in section 351.224(f) of our regulations as "an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial." Section 351.224(e) of the Department's regulations provides that the Department "will analyze any comments received and, if appropriate, correct any significant ministerial error by amending the preliminary determination * * *" (emphasis added).

A significant ministerial error is defined as an error, the correction of which, singly or in combination with other errors, would result in (1) A change of at least five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin calculated in the original (erroneous) preliminary determination; or (2) a difference between a weighted-average dumping margin of zero or *de minimis* and a weighted-average dumping margin of greater than *de minimis* or vice versa. See 19 CFR 351.224(g). The Department is publishing this amendment to its *Preliminary Determination* pursuant to 19 CFR 351.224(e).

Ministerial Error Allegations From the Mandatory Respondents

The Department addresses allegations of ministerial error with regard to the Mandatory Respondents in its *Memorandum to the File, dated August 20, 2004, from Paul Walker, Case Analyst through James C. Doyle, Program Manager, Regarding Antidumping Duty Investigation of Certain Frozen and Canned Warmwater Shrimp from the PRC: Allegations of Ministerial Error from Mandatory Respondents* ("Mandatory Respondent Memo"). Specifically, these allegations concern the raw shrimp surrogate value and usage ratio, and Yelin's CEP profit and inland freight. For purposes of this amended preliminary determination we

²Pursuant to our scope determination on battered shrimp, we find that breaded shrimp includes battered shrimp. See *Memorandum from Edward C. Yang, Vietnam/NME Unit Coordinator, Import Administration to Jeffrey A. May, Deputy Assistant Secretary for Import Administration Antidumping Investigation on Certain Frozen and Canned Warmwater Shrimp from Brazil, Ecuador, India, Thailand, the Socialist Republic of Vietnam and the Socialist Republic of Vietnam: Scope Clarification on Dusted Shrimp and Battered Shrimp* ("Dusted/Battered Scope Memo"), dated July 2, 2004.

are not changing any findings in the preliminary determination for any of the Mandatory Respondents. For a detailed analysis of the allegations made by Mandatory Respondents, please see the *Mandatory Respondent Memo*.

Ministerial Error Allegations From the Section A Respondents

The Department addresses allegations of ministerial error with regard to Section A Respondents in its *Memorandum to the File, dated August 18, 2004, from Julia Hancock and Irene Gorelik, Case Analysts through James C. Doyle, Program Manager, Regarding Antidumping Duty Investigation of Certain Frozen and Canned Warmwater*

Shrimp from the People's Republic of China: Allegations of Ministerial Error from Section A Respondents ("Section A Respondent Memo"). Specifically, these allegations concern the expiration of business licenses, the acceptance of certificates of incorporation in lieu of a business license, sales packages, price negotiations and illegible submissions.

Additionally, on July 13, 2004, July 28, 2004, and August 4, 2004, the Department received additional timely information from certain Section A Respondents. The Department will address these comments in the final determination. See *Section A Respondent Memo*.

Amended Preliminary Determination

Upon re-examining the record for Shantou Shengping Oceanstar Business Co., Ltd. and Shantou Yuexing Enterprise Company, the Department agrees it made ministerial errors and is, therefore, correcting the error and granting these Section A companies separate rates for this amended preliminary determination. As a result of our correction of ministerial errors in the *Preliminary Determination*, the Department has determined that the following weighted-average dumping margins apply:³

CERTAIN FROZEN AND CANNED WARMWATER SHRIMP FROM THE PEOPLE'S REPUBLIC OF CHINA: SECTION A RESPONDENTS

Exporter and producer	Original preliminary margin (percent)	Amended preliminary margin (percent)
Shantou Shengping Oceanstar Business Co., Ltd.	112.81	49.09
Shantou Yuexing Enterprise Company	112.81	49.09

Because the errors alleged for the Mandatory Respondents were not significant, the Department is not amending the weighted-average dumping margin listed in the *Preliminary Determination*. In addition, the PRC-wide rate remains unchanged. The Mandatory Respondents will, however, have the opportunity to address the issues raised in their ministerial error comments in their case brief, which will be considered by the Department at the final determination.

The collection of bonds or cash deposits and suspension of liquidation will be revised accordingly and parties will be notified of this determination, in accordance with section 733(d) and (f) of the Act.

International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the International Trade Commission ("ITC") of our amended preliminary determination. If our final determination is affirmative, the ITC will determine before the later of 120 days after the date of the preliminary determination or 45 days after our final determination whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports, or

sales (or the likelihood of sales) for importation, of the subject merchandise.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.224(e).

Dated: August 23, 2004.

James J. Jochum,
Assistant Secretary for Import Administration.
