

TABLE 1.—WASTES EXCLUDED FROM NON-SPECIFIC SOURCES

Facility/Address	Waste description
	<p>4. Data Submittals: The facility must submit the data obtained through verification testing or as required by other conditions of this rule to U.S. EPA Region 5, Waste Management Branch, RCRA Delisting Program (DW-8J), 77 W. Jackson Blvd., Chicago, IL 60604. The quarterly verification data and certification of proper disposal must be submitted annually upon the anniversary of the effective date of this exclusion. The facility must compile, summarize, and maintain on site for a minimum of five years records of operating conditions and analytical data. The facility must make these records available for inspection. All data must be accompanied by a signed copy of the certification statement in 40 CFR 260.22(i)(12).</p> <p>5. Reopener Language: (A) If, anytime after disposal of the delisted waste, GM possesses or is otherwise made aware of any data (including but not limited to leachate data or groundwater monitoring data) relevant to the delisted waste indicating that any constituent is at a level in the leachate higher than the specified delisting level, or is in the groundwater at a concentration higher than the maximum allowable groundwater concentration in paragraph (1), then GM must report such data, in writing, to the Regional Administrator within 10 days of first possessing or being made aware of that data. (B) Based on the information described in paragraph (A) and any other information received from any source, the Regional Administrator will make a preliminary determination as to whether the reported information requires Agency action to protect human health or the environment. Further action may include suspending, or revoking the exclusion, or other appropriate response necessary to protect human health and the environment. (C) If the Regional Administrator determines that the reported information does require Agency action, the Regional Administrator will notify the facility in writing of the actions the Regional Administrator believes are necessary to protect human health and the environment. The notice shall include a statement of the proposed action and a statement providing GM with an opportunity to present information as to why the proposed Agency action is not necessary or to suggest an alternative action. GM shall have 30 days from the date of the Regional Administrator's notice to present the information. (D) If after 30 days GM presents no further information, the Regional Administrator will issue a final written determination describing the Agency actions that are necessary to protect human health or the environment. Any required action described in the Regional Administrator's determination shall become effective immediately, unless the Regional Administrator provides otherwise.</p>

**Radio Broadcasting Services; Bunkerville, Caliente, Laughlin, Logandale, NV; Mohave Valley, AZ; St. George, UT**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** This document grants a counterproposal to reallocate and change the community of license for Station KZHK(FM), Channel 240C, St. George, UT, to Bunkerville, NV, and to upgrade, reallocate, and change the community for Station KADD(FM) from Channel 228C1 at Laughlin, NV to Channel 288C at Logandale, NV. The also document also dismisses a proposal to allot Channel 291C2 at Caliente, NV, because neither the petitioner nor any other party filed a continuing expression of interest in the proposed allotment. Finally, the document dismisses a counterproposal to reallocate and change the community of license for Station KPLD(FM), Channel 266C, from Kanab to Moapa, UT. *See* 66 FR 35768, July 9, 2001. *See also*

**Rules and Policies for Applications and Licensing of Low Power Operations in the Private Land Mobile Radio 450-470 MHz Band**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule; denial of petition for reconsideration.

**SUMMARY:** In this document, the Commission addresses a petition for reconsideration of the *Report and Order* in this proceeding filed by the American Association of Paging Carriers (AAPC). AAPC requests that the Commission prohibit the licensing of stations on frequencies (or channels) 12.5 kHz removed from eight specific part 90 450-470 MHz band paging frequencies.

1. In the Order, the Commission concludes that to the extent that the AAPC petition requests these offset channels be eliminated it is untimely filed. The Report and Order did not establish these channels; they have been available for years. Also, eliminating these channels was not an issue squarely raised in the context of the proceeding. In addition, we note that the Commission previously addressed the issue of whether to extend part 22 rules to reclassified part 90 services. A request to eliminate licensing of the subject eight offset channels would have been the proper subject of a reconsideration petition then or in the Reframing Report and Order when the
