

(6.3 millimeters). 6000 Series Aluminum Rolled Plate is defined by the Aluminum Association, Inc.

Excluded from the scope of this investigation are extruded aluminum products and tread plate.

The merchandise subject to this investigation is currently classifiable under subheading 7606.12.3030 of the *Harmonized Tariff Schedule of the United States* (HTS). Although the HTS subheading is provided for convenience and customs purposes, our written description of the scope of this investigation is dispositive.

Period of Investigation

The period of investigation is October 1, 2002, through September 30, 2003.

Analysis of Comments Received

All issues raised in the case briefs by parties to this proceeding and to which we have responded are listed in the Appendix to this notice and addressed in the "Issues and Decision Memorandum" (Decision Memorandum) from Gary Taverman, Acting Deputy Assistant Secretary for Import Administration, to Jeffrey May, Acting Assistant Secretary for Import Administration, dated October 4, 2004, which is adopted by this notice. Parties can find a complete discussion of the issues raised in this investigation and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit, room B-099 of the main Commerce Building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the Decision Memorandum are identical in content.

Changes Since the Preliminary Determination

Based on our analysis of the comments received and our findings at verification, we have made certain changes to the margin calculations. For a discussion of these changes, see the "Margin Calculations" section of the Decision Memorandum.

Verification

As provided in section 782(i) of the Act, we verified the information submitted by the respondent for use in our final determination. We used standard verification procedures including examination of relevant accounting and production records, and original source documents provided by the respondent.

Final Determination Margins

The weighted-average dumping margins are as follows:

Manufacturer/exporter	Margin (percent)
Hulett Aluminium (Pty) Ltd.	3.51
All Others	3.51

In accordance with section 735(c)(5)(A), we have based the "all others" rate on the dumping margin found for the producer/exporter investigated in this proceeding, Hulett.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all entries of certain aluminum plate from South Africa that are entered, or withdrawn from warehouse, for consumption on or after May 21, 2004, the publication date of the preliminary determination in the **Federal Register**. CBP shall continue to require a cash deposit or the posting of a bond based on the estimated weighted-average dumping margin shown above. The suspension of liquidation instructions will remain in effect until further notice.

ITC Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our determination. As our final determination is affirmative, the ITC will determine within 45 days whether these imports are causing material injury, or threat of material injury, to an industry in the United States. If the ITC determines that material injury or threat of injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP officials to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 735(d) and 777(i) of the Act.

Dated: October 4, 2004.

Jeffrey May,

Acting Assistant Secretary for Import Administration.

Individually Quick Frozen Red Raspberries From Chile; Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit.

SUMMARY: The Department of Commerce is extending the time limit for the final results of the administrative review of the antidumping duty order on individually quick frozen red raspberries from Chile. The period of review is December 31, 2001, through June 30, 2003. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

EFFECTIVE DATE: October 12, 2004.

FOR FURTHER INFORMATION CONTACT: Cole Kyle or Yasmin Bordas, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; at telephone (202) 482-1503 and (202) 482-3813, respectively.

Background

On August 6, 2004, the Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on individually quick frozen red raspberries from Chile

covering the period December 31, 2001, through June 30, 2003 (69 FR 47869). The final results for the antidumping duty administrative review of individually quick frozen red raspberries from Chile are currently due no later than December 6, 2004.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

The Department recently received case briefs from the parties involved in this administrative review. The written arguments submitted in the case briefs include complicated issues involving the Department's cost of production methodologies in this case. It is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by December 6, 2004), because we need additional time to analyze the written arguments. Therefore, the Department is extending the time limit for completion of the final results to no later than February 2, 2005, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 5, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.

Certain Automotive Replacement Glass Windshields From the People's Republic of China: Notice of Partial Rescission of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 27, 2004, in response to timely requests from respondents subject to the order on certain automotive replacement glass ("ARG") windshields from the People's Republic of China ("PRC"), in accordance with section 751(a) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("Department") published in the **Federal Register** a notice of initiation of this antidumping duty administrative review of sales by certain exporters/producers. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 30282 (May 27, 2004) ("*Initiation Notice*"). Because Dongguan Kongwan Automobile Glass, Ltd. ("Dongguan Kongwan"), Peaceful City, Ltd. ("Peaceful City"), and Fuyao Glass Industry Group Company, Ltd. ("Fuyao") have withdrawn their requests for administrative review and the petitioners did not request an administrative review of these exporters, the Department is rescinding this review of sales by Dongguan Kongwan, Peaceful City, and Fuyao in accordance with 19 CFR 351.213(d)(1). The Department is now publishing its determination to rescind the review of sales of subject merchandise by Dongguan Kongwan, Peaceful City, and Fuyao for the period of review.

EFFECTIVE DATE: October 12, 2004.

FOR FURTHER INFORMATION CONTACT: Robert Bolling or Jon Freed, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3434, (202) 482-3818, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 4, 2002, the Department published in the **Federal Register** the antidumping duty order on ARG windshields from PRC. See *Antidumping Duty Order: Automotive Replacement Glass Windshields From the People's Republic of China*, 67 FR 16087 (April 4, 2002). On April 1, 2004,

the Department published a notice of opportunity to request an administrative review of the antidumping duty order on ARG windshields from the PRC for the period April 1, 2003, through March 31, 2004. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 69 FR 17129 (April 1, 2004). On April 24, 2004, Dongguan Kongwan and Peaceful City requested an administrative review of its sales to the United States during the period of review ("POR"). On April 26, 2004, Fuyao requested an administrative review of its sales to the United States during the POR. The petitioners in the original investigation did not request an administrative review of any parties. On May 27, 2004, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of ARG from the PRC for the period April 1, 2003 through March 31, 2004. See *Initiation Notice*.

On June 14, 2003, the Department issued antidumping duty questionnaires to the respondents, including Dongguan Kongwan, Peaceful City, and Fuyao. On July 8, 2004, Fuyao submitted a letter to the Department withdrawing its request for an administrative review of sales and entries of subject merchandise it exported. On July 12, 2004, Dongguan Kongwan and Peaceful City submitted a letter to the Department withdrawing their requests for an administrative review of sales and entries of subject merchandise which they exported.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of requested review. Dongguan Kongwan, Peaceful City, and Fuyao withdrew their respective requests for review within the 90-day time limit and no other party requested reviews with respect to these companies. Accordingly, we are rescinding this administrative review as to those companies and will issue appropriate assessment instructions to the U.S. Bureau of Customs and Border Protection with respect to exports from Dongguan Kongwan, Peaceful City, and Fuyao for the period April 1, 2003, through March 31, 2004. The Department will continue its review of other exporters/producers as announced in the *Initiation Notice*. See 69 FR 30282.

This notice serves as a reminder to parties subject to administrative
