Federal Railroad Administration

[Waiver Petition Docket Number FRA-2003-16439]

Canadian Pacific Railway; Notice of Postponement of Public Hearing

On December 11, 2003, FRA published a notice in the **Federal Register** announcing Canadian Pacific Railway Company's (CPR) intent to be granted a waiver of compliance from certain provisions of the Railroad Locomotive Safety Standards, 49 CFR Part 229, on behalf of themselves, their U.S. subsidiaries the Delaware & Hudson and the Soo Line Railroads, and the New York Air Brake Corporation (NYAB). See 68 FR 69122. Specifically, CPR requested relief from the requirements of 49 CFR 229.27(a)(2) Annual Tests and 49 CFR 229.29(a) Biennial Tests, in order to evaluate extending the required periodic maintenance time intervals for NYAB generation II Computer Controlled Brake (CCB) equipment.

As a result of the comments received by FRA concerning this waiver petition, FRA determined that a public hearing was necessary before a final decision could be made on this petition. Accordingly, on June 14, 2004, FRA issued a notice in the **Federal Register** announcing that a public hearing was set to begin at 1 p.m. on July 13, 2004, at the Washington Plaza Hotel, 10 Thomas Circle, NW., Washington DC 20005. See 69 FR 33097.

Subsequent to the issuance of that notice, FRA was informed by parties in a related waiver proceeding (Docket No. FRA-2003-16306), scheduled for a public hearing on same date and

location as the present proceeding, that they would like to postpone the scheduled public hearing in that matter in order to engage in additional outreach with the involved labor organizations. Due to the similarities between the two proceeding and in an effort to conserve time and resources, FRA has decided to postpone the public hearing scheduled in this matter. CPR and the commenter in this matter have informally agreed to the postponement of the scheduled public hearing. Consequently, FRA is postponing the public hearing in this matter until further notice. A new public hearing will be rescheduled if any interested party notifies FRA, in writing, within 45 days of the date of this notice of its desire to have an opportunity for oral comment and specifies the basis for their request. Furthermore, no decision will be rendered in this matter without conducting a public hearing unless the party or parties originally requesting the public hearing formally withdraws that request. FRA will issue a notice in the **Federal Register** at least 30 days prior to the date of any new public hearing scheduled in this matter.

All communications concerning these proceedings should identify the appropriate docket number (FRA-2003-16439) and must be submitted to the Docket Clerk, DOT Docket Management Facility, Room PL-401 (Plaza Level), 400 7th Street, SW., Washington, DC 20590. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.-5 p.m.) at the above facility. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's Web site at <http://dms.dot.gov>.

Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (Volume 65, Number 70; Pages 19477-78). The Statement may also be found at <http://dms.dot.gov>.

Issued in Washington, DC, on June 29, 2004.

Grady C. Cothen, Jr.,

Acting Associate Administrator for Safety.
