SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application of Espirito Santo Overseas Limited and Banco Espirito Santo, S.A., To Withdraw Its Non-Cumulative Guaranteed Preference Shares, Series B, \$25 par value, From Listing and Registration on the New York Stock Exchange, Inc.; File No. 1-12524

May 27, 2004.

On May 21, 2004, Espirito Santo Overseas Limited, S.A., a Cayman Islands corporation ("Issuer"), and Banco Espirito Santo, S.A., a Portugal corporation ("Guarantor"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Non-Cumulative Guaranteed Preference Shares, Series B, \$25 par value, ("Security"), from listing and registration on the New York Stock Exchange, Inc. ("NYSE" or "Exchange").

The Board of Directors ("Board") of the Issuer adopted a resolution on April 29, 2004 to withdraw the Issuer's Security from listing on the NYSE. The Board states that the following reasons factored into its decision to withdraw the Security: (i) The limited trading volume of the Security (the Issuer and the Guarantor have determined, based

on conversations with the NYSE and information derived from third-party databases, that the average daily trading volume of the Security on the NYSE in the six months immediately preceding April 29, 2004 was less than 2,000 shares); (ii) the limited number of holders of record of the Security (the Issuer and the Guarantor have been informed by The Bank of New York, which acts as registrar, transfer agent and paying agent for the Security, that the worldwide number of holders of record of the Security as of December 31, 2003 was 69); and (iii) the costs associated with continued listing of the Security on the NYSE, including costs associated with compliance with the applicable reporting and other requirements of the Commission.

The Issuer stated in its application that it has complied with the NYSE's rules governing an issuer's voluntary withdrawal of a security from listing and registration. The Issuer's application relates solely to the Security's withdrawal from listing on the NYSE, and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before June 21, 2004, comment on the facts bearing upon whether the application has been made in accordance with the rules of the NYSE and what terms, if any, should be imposed by the Commission for the protection of investors. All comment letters may be submitted by either of the following methods:

Georgia Power Company, et. al. (70-10223)

Georgia Power Company ("Georgia Power"), 241 Ralph McGill Boulevard, NE., Atlanta, Georgia 30308, a wholly-owned utility subsidiary of The Southern Company ("Southern"), a registered holding company; Gulf Power Company ("Gulf Power"), One Energy Place, Pensacola, Florida 32520, a wholly-owned utility subsidiary of Southern; Mississippi Power Company ("Mississippi Power"), 2992 West Beach, Gulfport, Mississippi 39501, a wholly-owned utility subsidiary of Southern; Savannah Electric and Power Company ("Savannah Power"), 600 Bay Street East, Savannah, Georgia 31401, a wholly-owned utility subsidiary of Southern; and Southern Company Funding Corporation ("Southern Funding"), 270 Peachtree Street, NW., Atlanta, Georgia 30303, a wholly-owned subsidiary of Southern (collectively, "Applicants"), have filed a declaration/application ("Declaration") under sections 6, 7, 9(a), 10, and 12(b) of the Act and rules 45 and 54 under the Act.

By order dated November 8, 2000 (Holding Company Act Release No. 27273), Southern Funding was authorized to issue commercial paper at the request and for the benefit of the Applicants and Alabama Power Company ("Alabama Power"), and Southern Electric Generating Company ("SEGCO") (collectively, "Operating Companies") in an amount not to exceed \$3.5 billion outstanding at any time prior to June 30, 2004. The Operating Companies were authorized to borrow the proceeds from the sale of the commercial paper issued for their benefit.

Applicants now seek authority for Southern Funding to issue and sell commercial paper at the request of the Operating Companies from time to time prior to June 30, 2007 ("Authorization Period") in an aggregate principal amount at any one time outstanding not to exceed \$8.4 billion. Applicants also seek authority for Georgia Power, Gulf Power, Mississippi Power and Savannah Power to borrow the proceeds of the sale of commercial paper in amounts that will not at any time during the Authorization Period exceed \$3.2 billion for Georgia Power, \$600 million for Gulf Power, \$500 million for Mississippi Power, and \$120 million for Savannah Power. The remaining amount of commercial paper authorized to be issued by Southern Funding will be issued at the request of, and borrowed by, Alabama Power and

SEGCO.¹ Finally, Applicants seek authority for Georgia Power to guarantee any loan by Southern Funding to SEGCO in an amount of up to \$150 million, or to re-lend any borrowing Georgia Power makes from Southern Funding to SEGCO. Alabama Power and Georgia Power each own 50% of the outstanding common stock of SEGCO and are entitled to one-half of SEGCO's capacity and energy.

Currently, Georgia Power, Mississippi Power and Savannah Power have authority to make short-term and term loan borrowings in amounts not to exceed \$3.2 billion, \$500 million, and \$120 million, respectively, prior to March 31, 2006,² and Gulf Power has authority to effect short-term and term loan borrowings in an amount not to exceed \$600 million prior to January 1, 2007³ (collectively, "Short-Term Borrowing Orders"). Applicants propose to aggregate the authority requested in the Declaration with the existing authority in the Short-Term Borrowing Orders so that at all times when the order in connection with this Declaration is in effect, Georgia Power, Mississippi Power, Savannah Power and Gulf Power will have short-term borrowing authorizations in an amount not to exceed \$3.2 billion, \$600 million, \$500 million and \$120 million aggregate principal amount, respectively.

Southern Funding has entered into financial services agreements with each Operating Company under which Southern Funding has agreed to use its reasonable best efforts to issue commercial paper in amounts and at times as requested by each Operating Company. Each of Georgia Power, Gulf Power, Mississippi Power and Savannah Power proposes to borrow the cash proceeds of each issuance it requests. Each Operating Company's requested borrowing will be evidenced on a grid promissory note from the Operating Company to Southern Funding, on which each borrowing will be reflected until repaid. The terms of each borrowing will be identical to those of the related commercial paper issued for its benefit. In addition, Georgia Power also requests authority to guarantee any loan by Southern Funding to SEGCO, or to re-lend any borrowing Georgia Power

¹ Applicants state that the security issuances by Alabama Power and SEGCO are exempt from prior Commission review in accordance with rule 52(a) of the Act.
