

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49776; File No. SR-NYSE-2004-26]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the New York Stock Exchange, Inc. To Extend the Trading Hours for Three Exchange-Traded Funds Listed on the Exchange

May 26, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 20, 2004, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the NYSE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NYSE proposes to specify that 4:15 p.m. (New York time) is the closing time applicable to trading on the NYSE in the following exchange-traded funds ("ETFs") listed on the Exchange: Fresco Dow Jones STOXX 50SM Fund, Fresco Dow Jones EURO STOXX 50SM Fund, and iShares[®] S&P Global 100 Fund.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The NYSE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to specify that 4:15 p.m. (New York time) is the closing time applicable to trading on the NYSE in the following ETFs listed on the Exchange: Fresco Dow Jones STOXX

50SM Fund (symbol: FEU), Fresco Dow Jones EURO STOXX 50SM Fund (symbol: FEZ), and iShares[®] S&P Global 100 Fund (symbol: IOO).³ The Commission previously has approved the listing and trading of these ETFs on the Exchange.⁴

The current trading hours for FEU and FEZ are 9:30 a.m. to 4:15 p.m. These securities currently trade until 4:15 p.m. pursuant to NYSE Rule 1100(e), which states that any series of Investment Company Units (which term encompasses ETFs) so designated by the Exchange may be traded until 4:15 p.m. In SR-NYSE-2002-51, the Exchange stated incorrectly that the close of trading in these ETFs would be 4 p.m. The Exchange is correcting the misstatement in SR-NYSE-2002-51 and hereby specifies these securities may be traded until 4:15 p.m.

In SR-NYSE-00-53, the Exchange stated that IOO would be traded until 4 p.m. and that at such time as futures contracts are traded on the S&P Global 100 Index trading would be permitted until 4:15 p.m. The Exchange has now determined that IOO should trade until 4:15 p.m. pursuant to NYSE Rule 1100(e), notwithstanding that futures on the underlying index are not currently traded. The Exchange believes that trading IOO until 4:15 p.m. will provide investors with greater investment flexibility and will be generally consistent with trading hours applicable to most ETF trading on the NYSE and in other U.S. securities markets.

2. Statutory Basis

The Exchange believes that the statutory basis for this proposed rule change is the requirement under section 6(b)(5) of the Act⁵ that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange asserts that the foregoing proposed rule change has become effective upon filing pursuant to section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(6) thereunder⁷ because it does not:

(i) Significantly affect the protection of investors or the public interest;

(ii) Impose any significant burden on competition; and

(iii) Become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the filing date of the proposed rule change.⁸

The NYSE has requested that the Commission waive the 30-day period, which would make the rule change operative immediately. The Commission believes that it is consistent with the protection of investors and the public interest to waive the 30-day pre-operative period in this case. Allowing the rule change to become operative immediately should provide investors with greater investment flexibility and standardize the trading hours applicable to most ETFs trading on the NYSE and on other exchanges.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the

⁷ 17 CFR 240.19b-4(f)(6).

⁸ As required under Rule 19b-4(f)(6)(iii), the NYSE provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the filing date.

⁹ For the purposes only of accelerating the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
