II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is proposing to amend NASD Rule 4709 governing the NASDAQ Closing Cross to provide that market participants would be able to cancel IO, MOC, or LOC orders between 3:50 p.m. EST and 3:55 p.m. only by requesting Nasdaq to correct a legitimate error, including side, size, symbol, price or duplication of an order. Market participants would not be permitted to cancel IO, MOC, or LOC orders after 3:55 p.m. for any reason.

Nasdaq believes that providing the ability to cancel orders that contain legitimate errors would protect the marketplace from the potential distortions that inadvertent errors might cause during the Nasdaq Closing Cross. Other markets permit similar types of corrections to take place in advance of the actual close. For example, the New York Stock Exchange provides similar protection for on close orders. NYSE Rule 123C provides that "[b]etween 3:40
