

- Determines the actions, alternatives, and impacts described in 40 CFR 1508.25;

- Identifies and eliminates from detailed study those issues that are not significant or that have been covered elsewhere;

- Allocates responsibility for preparing EIS components;

- Indicates any related environmental assessments or environmental impact statements that are not part of the EIS;

- Identifies other relevant environmental review and consultation requirements;

- Indicates the relationship between timing of the environmental review and other aspects of the application process; and,

- At its discretion, exercises options provided in 40 CFR 1501.7(b).

Once the scoping process is complete, the Coast Guard will prepare a draft EIS, and we will publish a **Federal Register** notice announcing its public availability. If you want to be mailed or emailed the draft EIS notice of availability, please contact the person named in **FOR FURTHER INFORMATION CONTACT**. We will provide the public with an opportunity to review and comment on the draft EIS. After the Coast Guard considers those comments, we will prepare the final EIS and similarly announce its availability and solicit public review and comment.
