

Allegation of Ministerial Error for Hyundai HYSCO Co., Ltd. on file in the Department's Central Records Unit, Room B-099 of the Herbert H. Hoover Building, 1401 Constitution Avenue, N.W., Washington, D.C. As a result of our analysis of HYSCO's allegation, we are amending our preliminary determination to revise the antidumping rates in accordance with 19 CFR 351.224(e).

We will revise our suspension of liquidation instructions to U.S. Customs and Border Protection (CBP), instructing CBP that no suspension of liquidation is required at this time, since both respondents in this proceeding now have *de minimis* rates. Parties will be notified of this amended determination, in accordance with section 733(d) and (f) of the Act.

The following weighted-average dumping margins apply:

Exporter/manufacturer	Weighted-average margin (percentage)
Hyundai HYSCO	1.31 ¹
SeAH Steel Corporation Ltd.	1.19
All Others Rate	0.0

De minimis

The All Others rate is derived exclusive of all zero and *de minimis* margins and margins based entirely on adverse facts available. The All Others rate has been amended, and applies to all entries of the subject merchandise except for entries from exporters/producers that are identified individually above.

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, we are directing CBP not to suspend liquidation of all imports of certain circular welded carbon quality line pipe from the Republic of Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication of this amended preliminary determination in the **Federal Register**. CBP shall not require a cash deposit or the posting of a bond equal to the weighted-average amount by which the normal value exceeds the export price, as indicated above, because we have calculated *de minimis* margins. These instructions not to suspend liquidation will remain in effect until further notice.

International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our determination of sales at not less than fair value.

This determination is issued and published pursuant to sections 733(f) and 777(i)(1) of the Tariff Act.

Dated: October 27, 2004.

James J. Jochum,
Assistant Secretary for Import Administration.

Background

The Department received timely requests from Shanghai Blessing (September 14, 2004) and Shunli (September 30, 2004), pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and in accordance with 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the PRC.

Initiation of Reviews

Pursuant to 19 CFR 351.214(b)(2)(ii) and 19 CFR 351.214(b)(2)(iii)(A), in their requests for review, Shanghai Blessing and Shunli certified that they did not export the subject merchandise

to the United States during the period of investigation (POI) and that they are not affiliated with any company which exported subject merchandise to the United States during the POI. Pursuant to 19 CFR 351.214(b)(2)(iii)(B), Shanghai Blessing and Shunli further certified that their export activities are not controlled by the central government of the PRC. Also, in accordance with 19 CFR 351.214(b)(2)(iv), Shanghai Blessing and Shunli submitted documentation establishing the date on which each company first shipped the subject merchandise to the United States, the volume of its first shipment, and the date of the first sale to an unaffiliated customer in the United States.

Shanghai Blessing has identified Yichang Shilian as the producer of the subject merchandise for the sale under review. In addition, Shunli has identified AFCS as the producer of the subject merchandise for the sale under review. We will apply the bonding option under 19 CFR 351.107(b)(1)(i) only to entries of subject merchandise from these two exporters for which the respective producers under review are the suppliers.

Interested parties may submit applications for disclosure of business proprietary information under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act (19 U.S.C. 1675(a)(2)(B)) and 19 CFR 351.214.

Dated: October 27, 2004.

Honey from the People's Republic of China; Notice of Final Results and Final Rescission, In Part, of Antidumping Duty New Shipper Review.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On June 3, 2004, the U.S. Department of Commerce (the Department) published the preliminary results and partial rescission of the new shipper review of the antidumping order on honey from the People's Republic of China (69 FR 314348). The review covers one producer/exporter, Cheng Du Wai Yuan Bee Products Co., Ltd. (Cheng Du), and exports of the subject merchandise to the United States during the period of review (POR) of December 1, 2002, through May 31, 2003.

We have determined that the other exporter that requested a new shipper review for the same POR, Jinfu Trading Co., Ltd. (Jinfu PRC), failed to demonstrate its entitlement to a new shipper review. Therefore, we are rescinding the new shipper review of Jinfu PRC.

Based on our analysis of the record, including factual information obtained since the preliminary results, and of comments from the interested parties, we have made changes to Cheng Du's margin calculations to adjust the Indian surrogate values used to value the raw honey input, and to adjust our calculation of the financial ratios and their application in our normal value calculation. Therefore, the final results differ from the preliminary results, and we have determined that Cheng Du has made sales at less than normal value. See "Final Results of Review" section below.

EFFECTIVE DATE: November 3, 2004.

FOR FURTHER INFORMATION CONTACT: Angelica Mendoza or Brandon Farlander at (202) 482-3019 or (202) 482-0182, respectively; Antidumping Duty/Countervailing Duty Operations, Office Seven, Import Administration, International Trade Administration,

U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On June 3, 2004, the Department published the preliminary results and partial rescission of this review. See *Preliminary Results and Partial Rescission of Antidumping Duty New Shipper Review: Honey from the People's Republic of China*, 69 FR 314348 (June 3, 2004) (*Preliminary Results*). On August 11, 2004, the Department extended the final results of this new shipper review by 60 days until October 25, 2004. See *Honey from the People's Republic of China: Extension of Time Limit for Final Results of Antidumping New Shipper Review*, 69 FR 51062 (August 17, 2004).

We invited parties to comment on the *Preliminary Results*. We received case briefs from the American Honey Producers Association and the Sioux Honey Association (collectively, petitioners) and from Jinfu PRC on July 7, 2004. We received rebuttal briefs from Cheng Du on July 12, 2004, and from petitioners on July 16, 2004. Parties did not request a public hearing.

Scope of the Order

The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form. The merchandise under review is currently classifiable under item 0409.00.00, 1702.90.90, and 2106.90.99 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise under review is dispositive.

Analysis of Comments Received

All issues raised in the briefs are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues raised, all of which are in the Issues and Decision Memorandum, is attached to this notice as Appendix I. Parties can find a complete discussion of all issues raised in the briefs and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit (CRU), room B-099 of the Herbert H. Hoover

Building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on the comments received from the interested parties, we have made changes to the margin calculation for Cheng Du. For the final results, we adjusted the surrogate value used to calculate the cost of the raw honey input in order to more accurately reflect the range of raw honey prices in India during the POR. See the Issues and Decision Memorandum at Comment 4, and the Memorandum to the File Regarding Final Results of New Shipper Review of the Antidumping Duty Order on Honey from the People's Republic of China; Analysis Memorandum (October 25, 2004) (Cheng Du Final Analysis Memo).

We continue to calculate surrogate financial ratios for factory overhead (FOH), selling, general and administrative expenses (SG&A), and profit using the 2002-2003 annual report from the Mahabaleshwar Honey Producers Cooperative (MHPC). However, we adjusted our calculations of the FOH and SG&A ratios. See Issues and Decision Memorandum at Comment 5 and Cheng Du Final Analysis Memo at Attachment 8.

For labor, in the *Preliminary Results*, we used the PRC regression-based wage rate at Import Administration's home page, Import Library, Expected Wages of Selected NME Countries, revised in September 2002 and corrected in February 2003. In September 2004, the Expected Wages of Selected NME Countries was updated. For these *Final Results*, we are using the PRC regression-based wage rate in the Expected Wages of Selected NME Countries, revised in September 2004. See Cheng Du Final Analysis Memo at Attachments 3 and 9.

Partial Rescission of New Shipper Review

We are rescinding the new shipper review, with respect to Jinfu PRC, because we have determined that it has not satisfied all required regulatory and certification requirements for a new shipper review. For a full discussion of this issue, see the Issues and Decision Memorandum at Comments 1-3.

In order to qualify for a new shipper review under 19 CFR 351.214 of the Department's regulations, a company must provide certifications and
