SUMMARY: In this document, the Bureau of Prisons (Bureau) changes the addresses of the Chief Operating Officer and the Board of Directors of Federal Prison Industries, Inc. (also known as UNICOR), to correct and update them.

DATES: This rule is final January 9, 2004. Please send comments on this rulemaking by March 9, 2004.

ADDRESSES: Rules Unit, Office of General Counsel, Bureau of Prisons, 320 First Street, NW., Washington, DC 20534.

FOR FURTHER INFORMATION CONTACT: Sarah Qureshi, Office of General Counsel, Bureau of Prisons, phone (202) 307-2105.

SUPPLEMENTARY INFORMATION: In this document, the Bureau changes the addresses of the Chief Operating Officer and the Board of Directors of Federal Prison Industries, Inc. (also known as UNICOR), to correct and update them. The current addresses were published on July 26, 1990 (55 FR 30668) and, in the intervening ten years, both offices have since been relocated within the same buildings. We make this rule change to correct an obsolete room number. We do, however, want to assure the public that any mail sent to the addresses in the current regulation has been and will continue to be routed to the currently correct rooms.

Administrative Procedure Act

The Administrative Procedure Act (5 U.S.C. § 553) allows exceptions to notice-and-comment rulemaking “when the agency for good cause finds * * * that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.”

This rulemaking is exempt from normal notice-and-comment procedures because it merely updates addresses. This rulemaking makes no change to any rights or responsibilities of the agency or any regulated entities. Because this minor change is of a practical nature, normal notice-and-comment rulemaking is unnecessary. The public may, however, comment on this rule change because it is an interim final rule.

Executive Order 12866

This regulation has been drafted and reviewed in accordance with Executive Order 12866, “Regulatory Planning and Review”, section 1(b), Principles of Regulation. The Director, Bureau of Prisons has determined that this rule is not a “significant regulatory action” under Executive Order 12866, section 3(f), and accordingly this rule has not been reviewed by the Office of Management and Budget.

Executive Order 13132

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on distribution of power and responsibilities among the various levels of government. Regulatory Flexibility Act

The Director of the Bureau of Prisons reviewed this regulation under the Regulatory Flexibility Act (5 U.S.C. 605(b)) and certifies that it will not have a significant economic impact upon a substantial number of small entities for the following reasons: This rule pertains to the correctional management of offenders committed to the custody of the Attorney General or the Director of the Bureau of Prisons, and its economic impact is limited to the Bureau’s appropriated funds.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by § 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

[CGD07-03-141]

RIN 1625-AA09

Drawbridge Operation Regulation; Biscayne Bay, Atlantic Intracoastal Waterway, Miami River, Miami-Dade County, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is temporarily changing the regulations governing the operation of the east and west spans of the Venetian Causeway bridges across the Miami Beach Channel on the Atlantic Intracoastal Waterway, and the Brickell Avenue and Miami Avenue bridges across the Miami River, Miami-Dade County. This rule will allow these bridges to remain in the closed position during the Miami Tropical Marathon on February 1, 2004.

DATES: This temporary rule is effective from 6:05 a.m. until 11:59 a.m. on February 1, 2004.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD-07-03-141] and are available for inspection or copying at Commander (obr), Seventh Coast Guard District, 909 SE. 1st Avenue, Room 432, Miami, FL, 33131, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays. The Seventh Coast Guard District, Bridge Branch, maintains the public docket for this rulemaking.

FOR FURTHER INFORMATION CONTACT: Mr. Barry Dragon, Project Officer, Seventh Coast Guard District, Bridge Branch, at (305) 415-6743.

SUPPLEMENTARY INFORMATION:

Regulatory History

On October 10, 2003, we published a notice of proposed rulemaking (NPRM) entitled Drawbridge Operation Regulation; Biscayne Bay, Atlantic Intracoastal Waterway, Miami River, Miami-Dade County, Florida, in the **Federal Register** (68 FR 197). We

received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Background and Purpose

The Miami Marathon Director requested that the Coast Guard temporarily change the existing regulations governing the operation of the east and west spans of the Venetian Causeway bridges, and the Brickell Avenue and Miami Avenue bridges, to allow them to remain in the closed position during the running of the Miami Tropical Marathon on February 1, 2004. The marathon route passes over these four bridges, and any bridge opening would disrupt the race. Based on the limited amount of time the bridges will be closed, the rule will still provide for the reasonable needs of navigation on the day of the event.

The east and west spans of the Venetian Causeway bridges are located between Miami and Miami Beach. The current regulation governing the operation of the east span of the Venetian Causeway bridge is published in 33 CFR 117.269 and requires the bridge to open on signal; except that, from November 1 through April 30 from 7:15 a.m. to 8:45 a.m. and from 4:45 p.m. to 6:15 p.m. Monday through Friday, the draw need not open. However, the draw shall open at 7:45 a.m., 8:15 a.m., 5:15 p.m., and 5:45 p.m., if any vessel is waiting to pass. The draw shall open on signal on Thanksgiving Day, Christmas Day, New Year's Day and Washington's Birthday. Moreover, the bridge must open for public vessels of the United States, tugs with tows, regularly scheduled cruise vessels, and vessels in distress.

The regulation governing the west span of the Venetian Causeway bridge is published in 33 CFR 117.5 and requires the bridge to open on signal.

The operating schedule of the Brickell Avenue and Miami Avenue bridges is published in 33 CFR 117.305 and requires each bridge to open on signal; except that, from 7:30 a.m. to 9 a.m. and 4:30 p.m. to 6 p.m. Monday through Friday, except Federal holidays, the draws need not open for the passage of vessels. Public vessels of the United States and vessels in an emergency involving danger to life or property are allowed to pass at any time.

This temporary rule will not adversely affect the reasonable needs of navigation due to the limited time, six hours, the bridges will be in the closed position.

Discussion of Rule

The Coast Guard is temporarily changing the operating regulations of
