The preliminary results will now be due no later than December 15, 2004.

The final results will, in turn, be due 120 days after the date of issuance of the preliminary results, unless extended.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary determination of sales at less than fair value.

SUMMARY: We preliminarily determine that live swine from Canada are being, or are likely to be, sold in the United States at less than fair value, as provided in section 733(b) of the Tariff Act of 1930, as amended ("the Act").

Interested parties are invited to comment on this preliminary determination. Since we are postponing the final determination, we will make our final determination within 135 days of the date of publication of this preliminary determination in the **Federal Register**.

EFFECTIVE DATE: October 20, 2004.

FOR FURTHER INFORMATION CONTACT: Cole Kyle, Ryan Langan, or Andrew Smith, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1503, (202) 482-2613, or (202) 482-1276, respectively.

SUPPLEMENTARY INFORMATION:

Background

Since the initiation of this investigation (*Notice of Initiation of Antidumping Duty Investigation: Live Swine from Canada*, 69 FR 19815 (April 14, 2004) ("Initiation Notice"), the following events have occurred:

On April 26, 2004, we solicited comments from interested parties regarding the criteria to use for model-matching purposes. We received comments from all interested parties on our proposed matching criteria in April and May, 2004.

On May 4, 2004, the Government of Canada ("GOC") submitted a scope exclusion request. On August 4, 2004, the petitioners submitted comments on the GOC's scope exclusion request. See "Scope Comments" section, below. We held discussions on the issue of model matching with officials from the United States Department of Agriculture ("USDA") and industry experts on May 6 and 11, 2004, respectively.

On May 14, 2004, we selected Excel Swine Services, Inc. ("Excel"), Ontario Pork Producers' Marketing Board ("Ontario Pork"), Hytek, Inc. ("Hytek"), and Premium Pork Canada, Inc. ("Premium Pork") as mandatory respondents in this proceeding. For further discussion, see Memorandum to Jeffrey May, "Respondent Selection" dated May 14, 2004 ("Respondent Selection Memorandum"), which is located in the Department of Commerce's ("the Department") Central Records Unit, located in Room B-099 of the main Department building ("CRU"), and the "Respondent Selection" section below.

On May 17, 2004, the United States International Trade Commission ("ITC") preliminarily determined that there is a reasonable indication that imports of live swine from Canada are materially injuring the United States live swine industry (see ITC Investigation Nos. 701-TA-438 and 731-TA-1076 (Publication No. 3693)).

We issued the antidumping questionnaire to Excel, Ontario Pork, Hytek, and Premium Pork on May 27, 2004. Also, on May 27, 2004, the Department adopted the model match criteria and hierarchy for this proceeding. See Memorandum to Susan Kuhbach, "Selection of Model Matching Criteria for Purposes of the Antidumping Duty Questionnaire," dated May 27, 2004, which is on file in the CRU.

On June 4, 2004, Ontario Pork submitted comments regarding the selection of companies to respond to the Department's cost questionnaire. On June 16, 2004, we solicited comments from the Illinois Pork Producers Association, the Indiana Pork Advocacy Coalition, the Iowa Pork Producers Association, the Minnesota Pork Producers Association, the Missouri Pork Association, the Nebraska Pork Producers Association, Inc., the North Carolina Pork Council, Inc., the Ohio

Pork Producers Council, and 119 individual producers of live swine¹ (hereinafter "the petitioners"), Excel, and Ontario Pork on the methodology for selecting cost respondents. We received parties' comments on June 21, 2004, and rebuttal comments on June 24 and June 30, 2004.

On June 21, 2004, Premium Pork submitted a request to the Department that it use Premium Pork's transfer price as the constructed export price rather than deriving a constructed export price. On June 29, 2004, the petitioners submitted comments on Premium's request. The Department rejected this request.

On July 2, 2004, the Office of Accounting notified Ontario Pork and Excel of the companies selected to respond to the Department's cost questionnaire. This selection is described in a July 15, 2004 Memorandum to Jeffrey May, entitled "*Cost Respondent Selection Memo*."

In June and July, 2004, the Department received responses to sections A, B, and C of the Department's
