

development of more accurate abundance estimations; (f) characterize whale vocalizations; and (g) characterize sound pressure levels to which whales are exposed. Tagged whales will be approached for photo-identification, behavioral observation and assessment of possible tag effects;

(2) Tag 100 killer whales (*Orcinus orca*) over a five-year period not to exceed 20 in a single year. This would occur on an opportunistic basis, should killer whales be encountered during tagging activities with other species. The objectives of this research are to document killer whale movements and seasonal distribution patterns;

(3) Conduct non-invasive Level B harassment (photo-identification and behavioral observation) on the other non-target non-endangered/threatened marine mammal species encountered during tagging activities, in order to contribute to the knowledge of species (or situations) for which little information has been documented; and

(4) Import and export marine mammal biopsy samples and baleen from beach-cast (dead) whales. Baleen will be used for isotopic ratio analysis which may help validate movements between ocean areas with distinctive isotopic ratio signatures. Biopsy samples would be analyzed in different laboratories depending upon the species in question or the specific tests being conducted. Samples would be imported/exported on a worldwide basis.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Notice of Availability of Environmental Assessment for the Air Force Memorial

AGENCY: Washington Headquarters Services, DoD.

ACTION: Notice of availability.

SUMMARY: The Department of Defense (DoD) Washington Headquarters Services (WHS) announces that an Environmental Assessment (EA) for the Air Force Memorial is available for public review and comment within 30 days of the date of this publication. The Memorial is planned for the Naval Annex Site, Columbia Pike and Southgate Road, near the Pentagon in Arlington, VA. The Naval Annex is also known as the Navy Annex, Arlington Annex, and Federal Office Building No. 2 (FOB2).

The EA documents an evaluation of the environmental effects of the proposed Memorial in accord with the National Environmental Policy Act of 1969, as amended (NEPA, 42 U.S. Code 4321 to 4370b), Council of Environmental Quality (CEQ)

implementing regulations (Title 40, Code of Federal Regulations, Parts 1500-1508), and DoD Instruction 4715.9, Environmental Planning and Analysis. The EA identifies the proposed action, purpose and need for the project, project alternatives, affected environment, environmental consequences, and proposed mitigation measures. Environmental consequences examined include potential impacts on socio-economic conditions, cultural and visual resources, transportation systems, physical and biological resources, utilities and infrastructure, and cumulative impacts.

The Air Force Memorial Foundation (AFMF) proposes to establish the Air Force Memorial on three acres of the Naval Annex Site, as authorized by Congress, to honor the men and women who have served in the U.S. Air Force and its predecessors. The main element of the Memorial would be three curving vertical spires, from 200 to 270 feet high, that symbolize Air Force core values, people, and key mission ingredients. At the base of the spires, complementary elements would include an Honor Guard Sculpture, Contemplation Chamber, Air Force Members Chamber, seating area, pedestrian walkways, and parking area. The proposed action, as directed by Congress, requires demolition of Wing 8 of FOB2.

The EA is available on the Internet at <http://www.dtic.mil/ref/Safety/index.htm> and <http://www.airforcememorial.org> and in paper copy at the following libraries:

- Arlington County Central Library, 1015 N. Quincy Street, Arlington, VA 22201.
- Aurora Hills Library, 735 S. 18th St., Arlington, VA 22202.
- Columbia Pike Library, 816 S. Walter Reed Dr., Arlington, VA 22204.
- Shirlington Library, 2786 S. Arlington Mill Dr., Arlington, VA 22206.

For those with access or escort, copies are also available in the FOB2 Building Managers Office, Room 1030, and in the Pentagon Library Reference Center on the Pentagon Concourse.

DATES: Public comments are invited and must be either e-mailed or postmarked on or before September 2, 2004.

ADDRESSES: To request a copy of the EA or provide comments, contact Dr. Brian Higgins at telephone: 703-697-5066, e-mail: bhiggins@ref.whs.mil, or WHS Real Estate and Facilities Directorate, 1155 Defense Pentagon, Room 3B200, Washington, DC 20301-1155.
