As part of the application, all applicants must also provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number. As required by the Office of Management and Budget (OMB), all grant applicants must provide a DUNS number when applying for Federal grants, on or after October 1, 2003. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS Number request line at 1-866-705-5711. Additional information concerning this requirement is provided in a policy directive issued by OMB and published in the **Federal Register** on June 27, 2003 (Vol. 68, No. 124, pages 38402-38405).

To comply with the President's Management Agenda, the Department of Agriculture is participating as a partner in the new government-wide Grants.gov site in FY 2004. Housing Preservation Grants (Catalog of Federal Domestic Assistance # 10.433) is one of the programs included at this website. If you are an applicant under the Housing Preservation Grant Program, you may submit your application to the Agency in either electronic or paper format. Please be mindful that the application deadline for electronic format differs from the deadline for paper format. The electronic format deadline will be based on Washington DC time. The paper format deadline is local time for each Rural Development State Office.

Users of Grants.gov will be able to download a copy of the application package, complete it off line, and then upload and submit the application via the *Grants.gov* site. *You may not e-mail an electronic copy of a grant application to RHS*; however, the Agency encourages your participation in *Grants.gov*.

- When you enter the *Grants.gov* site, you will find information about submitting an application electronically through the site as well as the hours of operation. RHS strongly recommends that you do not wait until the application deadline date to begin the application process through *Grants.gov*. To use *Grants.gov*, applicants must have a DUNS number.

- You may submit all documents electronically through the website, including all information typically included on the application for Rural Housing Preservation Grants, and all necessary assurances and certifications.

- Your application must comply with any page limit requirements described in this Notice.

- After you electronically submit your application through the website, you will receive an automatic acknowledgement from Grants.gov that contains a *Grants.gov* tracking number.

- RHS may request that you provide original signatures on forms at a later date.

- If you experience technical difficulties on the closing date and are unable to meet the 5 p.m. (Washington, DC time) deadline, print out your application and submit it to your State Office. If you must submit the application to your State Office, you must meet the closing date and local time deadline.

You may access the electronic grant application for Housing Preservation Grants at: <http://www.grants.gov>.

Please note that you must locate the downloadable application package for this program by the CFDA Number or FedGrants Funding Opportunity Number, which can be found at <http://www.fedgrants.gov>.

Funding Information

The funding instrument for the HPG Program will be a grant agreement. The term of the grant can vary from 1 to 2 years, depending on available funds and demand. No maximum or minimum grant levels have been established at the National level. If and when a final appropriation act is enacted providing funding for the HPG Program, you should contact the Rural Development State Office to determine the allocation and the State maximum grant level, if any. From funds available for the HPG Program, there will be monies set aside for grants located in Empowerment Zones, Enterprise Communities, and Rural Economic Area Partnership Zones and other funds will be distributed under a formula allocation to States pursuant to 7 CFR part 1940, subpart L.

Rural Housing Service

Notice for Requests for Proposals for Guaranteed Loans Under the Section 538 Guaranteed Rural Rental Housing Program (GRRHP) for Fiscal Year 2004

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This is a request for proposals for guaranteed loans under the section 538 Guaranteed Rural Rental Housing Program (GRRHP) pursuant to 7 CFR 3565.4 for Fiscal Year (FY) 2004 subject to the availability of funding. FY 2003 funding for the section 538 program was \$99.350 million. This notice is being issued prior to passage of a final appropriations bill to allow applicants sufficient time to leverage financing and submit proposals in the form of "RESPONSES", and give the Agency maximum time to process applications within the current fiscal year. A Notice of Funding Availability will be published announcing the funding level for the GRRHP for FY 2004 once an appropriation act has been enacted. The commitment of program dollars will be made to applicants of selected responses that have fulfilled the necessary requirements for obligation, to the extent an appropriation act provides funding for GRRHP for FY 2004. Expenses incurred in developing applications will be at the applicant's risk. The following paragraphs outline the timeframes, eligibility requirements, lender responsibilities, and the overall response and application processes.

The GRRHP operates under 7 CFR part 3565. The GRRHP Origination and Servicing Handbook (HB-1-3565) is available to provide lenders and the general public with guidance on program administration. HB-1-3565, which contains a copy of 7 CFR part 3565 in Appendix 1, can be found at the Rural Development Instructions Web site at <http://rdinit.usda.gov/regs>.

Eligible lenders are invited to submit responses for the development of affordable rental housing to serve rural America. The Rural Housing Service (RHS) will review responses submitted by eligible lenders, on the lender's letterhead, and signed by both the prospective borrower and lender. Although a complete application is not required in response to this notice, eligible lenders may submit a complete application concurrently with the response. The submission of a complete application will not affect the scoring process.

DATES: Program dollars will be allocated through a continuous selection process to the extent and when an appropriation act provides funding for GRRHP for FY 2004. The RHS will review all responses on an on-going basis through May 14, 2004. Those responses that are selected that subsequently submit complete applications and meet all Federal environmental requirements will receive commitments to the extent an appropriation act provides funding for

GRRHP for FY 2004 until all funds are expended. If any FY 2004 funds have not been exhausted by May 14, 2004, the Agency will continue receiving and reviewing responses until all funds are expended. A notice will be published in the **Federal Register** when all funds are committed for FY 2004.

Eligible lenders intending to mail a response or application must provide sufficient time to permit delivery to the submission address on or before the closing deadline date. Acceptance by a U.S. Post Office or private mailer does not constitute delivery. Postage due responses and applications will not be accepted.

Eligibility of Prior Year Selected NOFA Responses: NOFA responses selected in prior years, but not yet funded, are eligible for FY 2004 program dollars subject to the availability of funds. Prior year NOFA responses selected by RHS for submission of a complete application may submit an application for competition for FY 2004 funding without completing a FY 2004 response. All qualified applications will be funded on a first come basis until all program funds are exhausted. RHS will commit and obligate funds only to lenders that submit a complete application, including all Federal environmental documents required by 7 CFR part 1940, subpart G, Form RD 3565-1, and the \$2,500 application fee.

General Program Information

Program Purpose: The section 538 Guaranteed Rural Rental Housing Program is designed to increase the supply of affordable multi-family housing through partnerships between the RHS and major lending sources, as well as state and local housing finance agencies and bond issuers.

Responses Must be Submitted By: The Agency will only accept responses from GRRHP eligible or approved lenders as described in 7 CFR 3565.102 and 3565.103 respectively.

Qualifying Properties: Qualifying properties include new construction for multi-family housing units or acquisition of existing structures with

minimum per unit rehabilitation expenditure requirements in accordance with 7 CFR 3565.252. The portion of guaranteed funds for acquisition with rehabilitation is limited to 25 percent of the program authority.

Eligible Financing Sources: Any form of Federal, State, and conventional sources of financing can be used in conjunction with the loan guarantee, including Home Investment Partnership Program (HOME) grant funds, tax exempt bonds, and low income housing tax credits.

Maximum Guarantee: The maximum guarantee for a permanent loan will be 90 percent of the unpaid balance and interest on the loan. The maximum guarantee on a construction loan will be 90 percent of the work in place, which have credit enhancements, or up to 90 percent of the amount actually advanced by the lender, whichever is less.

Reimbursement of Losses: Any losses will be split on a pro-rata basis between the lender and the RHS from the first dollar lost.

Interest Rate: RHS will accept the best rate negotiated between the lender and prospective borrower. The lender is not required to provide the interest rate in the response unless interest credit assistance is requested for the project. Priority points will be given for interest rates less than 250 basis points above the monthly Applicable Federal Rate (AFR), on the day of closing, when interest credit assistance is requested. In all cases, interest rates must be fixed over the term of the loan.

Interest Credit: RHS will award interest credit to at least 20 percent of the loans made under the program. If 20 percent of the loans have not received interest credit by May 14, 2004, then RHS will award interest credit to those loans that initially requested interest credit and have the highest interest credit priority score until at least 20% of the loans have received interest credit. Requests for interest credit must be made in the response. Lenders are not permitted to make requests for interest credit after the selection process has taken place.

Due to limited funding and in order to distribute interest credit assistance as broadly as possible, the Agency has decided to limit the interest credit to \$1.5 million per project. For example, if an eligible request were made for interest credit on a loan of \$2.5 million, up to \$1.5 million of the loan would receive interest credit. Interest credit is not available for construction loans. Interest credit is only available for permanent loans. Lenders with projects that are viable with or without interest

credit are encouraged to submit a response reflecting financial and market feasibility under both funding options. Responses requesting consideration under both options will not affect interest credit selection. However, once the interest credit funds are exhausted, only those responses requesting consideration under both funding options or the Non-Interest Credit option will be further considered.

Due to limited interest credit funds and the responsibility of RHS to target and give priority to rural areas most in need, responses requesting interest credit must score a minimum of 65 points under the criteria established in this notice. In the event of ties, selection between responses will be by lot.

Surcharges for Guarantee of Construction Advances: There is no surcharge for the guarantee of construction advances for FY 2004.

Program Fees for FY 2004: The following information stipulates the program fees.

(1) There is an initial guarantee fee of 1 percent of the total guarantee amount, which will be due when the loan guarantee is issued. In the case of a combination construction and permanent loan guarantee, the 1 percent initial fee will be paid when the construction loan note guarantee is issued. For purposes of calculating this fee, the guarantee amount is the product of the percentage of the guarantee times the initial principal amount of the guaranteed loan.

(2) There is an annual renewal fee of 0.5 percent of the outstanding principal and interest of the loan. This fee will be collected annually on January 1st of each calendar year.

(3) There is no fee for site assessment and market analysis or preliminary feasibility in FY 2004.

(4) There is a non-refundable application fee of \$2,500 when the application is submitted.

(5) There is a flat fee of \$500 when a lender requests RHS to extend the term of a guarantee commitment.

(6) There is a flat fee of \$500 when a lender requests RHS to extend a guarantee commitment after the period of the commitment lapses.

(7) There is a flat fee of \$1,250 when a lender requests RHS to approve the transfer of property and assumption of the loan to an eligible prospective borrower.

(8) There is no lender application fee for lender approval in FY 2004.

Eligible Lenders: An eligible lender for the section 538 GRRHP as required by 7 CFR 3565.102 must be a licensed business entity or Housing Finance Agency (HFA) in good standing in the

state or states where it conducts business. Lender eligibility requirements are contained in 7 CFR 3565.102. Below is a list of some of the eligible lender criteria under 7 CFR 3565.102:

(1) Licensed business entity that meets the qualifications and has the approval of the Secretary of Housing and Urban Development (HUD) to make multi-family housing loans that are insured under the National Housing Act. A complete list of HUD approved lenders can be found on the HUD Web site at <http://www.hud.gov>.

(2) A licensed business entity that meets the qualifications and has the approval of the Freddie Mac or Fannie Mae corporations to make multi-family housing loans that are sold to the same corporations. A complete list of Freddie Mac approved lenders can be found on the Freddie Mac Web site at <http://www.freddiemac.com>. Fannie Mae approved lenders are found at <http://www.fanniema.com>.

(3) A state or local HFA with a top-tier rating from Moody's or Standard & Poors, or member of the Federal Home Loan Bank system, and the demonstrated ability to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans in a prudent manner.

(4) Be a GRRHP approved lender, defined as an entity with an executed multi-family housing Lender's Agreement with RHS.

(5) Lenders that can demonstrate the capacity to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans in a prudent manner. In order to be approved the lender will have to have an acceptable level of financial soundness as determined by a lender rating service. The submission of materials demonstrating capacity will be required if the lender's response is selected.

Lenders who are otherwise ineligible may become eligible if they maintain a correspondent relationship with an eligible lender that does have the capacity to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans in a prudent manner. In this case, the

eligible lender must submit the response and application. All contractual and legal documentation will be signed between RHS and the lender that submitted the response and application.

RHS Lender Approval Application: Lenders whose responses are selected will be notified by the RHS to submit a request for RHS lender approval application within 30 days of notification. Lenders that have received RHS lender approval in the past and are in good standing do not need to reapply for RHS lender approval.

Submission of Documentation for RHS Lender Approval: All lenders that have not yet received RHS lender approval must submit a complete application for RHS lender approval to the Director of the Multi-Family Housing Processing Division at the address provided in the "NOTICE SUBMISSION ADDRESS" section of this notice. As RHS does not have a formal application form, a complete application will consist of a cover letter requesting RHS lender approval and the following documentation:

- (1) Request for RHS lender approval on the lender's letterhead;
- (2) Lenders who are HUD, Freddie Mac or Fannie Mae multi-family approved lenders are required to show evidence of this status, such as a copy of a letter designating the distinction;
- (3) The lender's Loan Origination, Loan Servicing and Portfolio Management Handbooks. These handbooks should detail the lender's policies and procedures on loan origination through termination for multi-family loans;
- (4) Portfolio performance data;
- (5) Copies of standard documents that will be used in processing GRRHP loans;
- (6) Resumes and qualifications of key personnel that will be involved in the GRRHP;
- (7) Identification of standards and processes that deviate from those outlined in the GRRHP Origination and Servicing Handbook (HB-1-3565) found at <http://rdinit.usda.gov/regs>;
- (8) A copy of the most recent audited financial statements;
- (9) Lender specific information including: (a) Legal name and address,

(b) list of principal officers and their responsibilities, (c) certification that the officers and principals of the lender have not been debarred or suspended from Federal programs, (d) Form AD 1047, (e) certification that the lender is not in default or delinquent on any Federal debt or loan, or possess an outstanding finding of deficiency in a Federal housing program, and (f) certification of the lender's credit rating; and

(10) Documentation on bonding and insurance.

RHS Lender Approval Requirements: Lenders who request RHS lender approval must meet the standards stipulated in the 7 CFR 3565.103.

Lender Responsibilities: Lenders will be responsible for the full range of loan origination, underwriting, management, servicing, compliance issues and property disposition activities associated with their projects. The lender will be expected to provide guidance to the prospective borrower on the RHS requirements during the application phase. Once the guarantee is issued, the lender is expected to service each loan it underwrites or contract these services to another capable entity.

Rural Development State Office staff will work with lenders in the development of an application package. Required documentation for a complete application package is stated in Chapter 3 of HB–1–3565.

The deadline for the submission of a complete application and application fee is 90 days from the date of notification of response selection. If the application and fee are not submitted within 90 days from the date of notification, the selection is subject to cancellation, thereby allowing another response that is ready to proceed with processing to be selected.

Obligation of Program Funds: The RHS will only obligate funds to projects that meet the requirements for obligation, including undergoing a satisfactory environmental review in accordance with the National Environmental Protection Act (NEPA) and lenders who have submitted the \$2,500 application fee and completed

Form RD 3565-1 for the selected project.

Conditional Commitment: Once required documents for obligation and the application fee are received and all NEPA requirements have been met, the Rural Development State Office will issue a conditional commitment, which stipulates the conditions that must be fulfilled before the issuance of a guarantee, in accordance with 7 CFR 3565.303.

Issuance of Guarantee: The RHS will issue a guarantee to the lender for a project in accordance with 7 CFR 3565.303. No guarantee can be issued without a complete application, review of appropriate certifications, satisfactory assessment of the appropriate level of environmental review, and the completion of any conditional requirements.
