

this low-income area and promote social justice, the El Paso County Commissioners Court passed a resolution dated April 19, 2004 that eliminates pedestrian tolls on the new bridge. The resolution states: "Therefore Be It Resolved, by El Paso County Government that the new Tornillo/Guadalupe Port of Entry will be toll-free for pedestrians only, as expenditure of future funds to collect tolls from pedestrians at the new Tornillo/Guadalupe Bridge is expected to exceed pedestrian toll revenues to be collected."

IV. Conclusion: Analysis of the Environmental Assessment Submitted by the Sponsor

Based on the Department's independent review of the Final Environmental Assessment, comments received during its preparation and comments received by the Department from Federal and State agencies including measures which are proposed to be taken to prevent or mitigate potentially adverse environmental impacts, the Department has concluded that issuance of a Presidential Permit authorizing construction of the proposed Tornillo-Guadalupe New International Bridge as proposed in Bridge Site Alternative No. 3 as set forth in the Environmental Assessment, would not have a significant impact on the quality of the human and/or natural environment within the United States. Accordingly, a Finding of No Significant Impact ("FONSI") is adopted and an environmental impact statement will not be prepared.

The Final Environmental Assessment prepared by the Department addressing this action is on file and may be reviewed by interested parties at the Department of State, 2201 C Street NW., Room 4258, Washington, DC 20520 (Attn: Mr. John Ritchie, Tel (202) 647-8529).
