

that Auditing Standard No. 2 is a superior standard to its predecessor attestation standard, AT 501, and the proposal would supersede AT 501, effective immediately upon approval of the Conforming Amendments by the Commission. SAS No. 60 provides guidance in identifying and communicating conditions that relate to a company's internal control observed during an audit of the financial statements. SAS No. 60 for integrated audits (*i.e.*, audits of both financial statements and internal control over financial reporting) would be replaced by portions of Auditing Standard No. 2, and the proposal also would amend SAS 60 as it applies to financial statement only audits.

The proposed Conforming Amendments have multiple effective dates. The amendments that affect integrated audits for accelerated filers would be effective for fiscal years ending on or after November 15, 2004 (*i.e.*, at the same time as Auditing Standard No. 2 for integrated audits of accelerated filers that are subject to the Commission's rules implementing Section 404⁷ of the Act). Those amendments that affect audits of financial statements only and those that affect integrated audits of non-accelerated filers subject to the Commission's rules implementing Section 404 of the Act would be effective for fiscal years ending on or after July 15, 2005. Finally, the superseding of AT 501 would be effective immediately upon approval by the Commission.

III. Discussion

The Commission's comment period on the Proposed Standard ended on November 3, 2004, with the Commission receiving two comment letters. The comment letters came from two registered public accounting firms.

Both commenters expressed support for Commission approval of the Conforming Amendments.

IV. Conclusion

On the basis of the foregoing, the Commission finds that proposed Conforming Amendments are consistent with the requirements of the Act and the securities laws and are necessary and appropriate in the public interest and for the protection of investors.

It is therefore ordered, pursuant to Section 107 of the Act and Section 19(b)(2) of the Exchange Act, that the proposed *Conforming Amendments to*

PCAOB Interim Standards Resulting From the Adoption of PCAOB Standard No. 2, "An Audit of Internal Control Over Financial Reporting Performed in Conjunction With an Audit of Financial Statements" (File No. PCAOB-2004-08), be and hereby are approved.

By the Commission.

J. Lynn Taylor,

Assistant Secretary.
