[Inv. No. 337–TA–493]

In the Matter of Certain Zero-Mercury-Added Alkaline Batteries, Parts Thereof, and Products Containing Same; Notice of a Commission Determination Not To Review an Initial Determination Terminating the Investigation With Respect to One Respondent on the Basis of a Consent Order; Issuance of Consent Order**AGENCY:** International Trade Commission.**ACTION:** Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") of the presiding administrative law judge ("ALJ") granting the joint motion of complainants Energizer Holdings, Inc. and Eveready Battery Co., Inc., and respondent Golden Million Enterprises, Inc. to terminate the above-captioned investigation with respect to that respondent on the basis of a consent order.

FOR FURTHER INFORMATION CONTACT:

Michael K. Haldenstein, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone (202) 205–3041. Copies of the ALJ's ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205–2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 27, 2003, based on a complaint filed by Energizer Holdings, Inc. and Eveready Battery Co., Inc., both of St. Louis, MO, 68 FR 32771 (2003). The complaint as amended alleges violations of section 337 of the Tariff Act of 1930 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain zero-mercury-added alkaline batteries, parts thereof, and products containing same by reason of infringement of claims 1–12 of U.S. Patent No. 5,464,709. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The Commission named as respondents 26 companies located in the United States, China, Indonesia, and Japan.

On February 3, 2004, complainants and one respondent, Golden Million Enterprises, Inc., filed a joint motion to terminate the investigation as to the respondent on the basis of settlement agreement and consent order. On February 13, 2004, the Commission investigative attorney filed a response supporting the motion. On February 17, 2004, the ALJ issued the subject ID terminating the investigation as to the respondent on the basis of a settlement agreement and consent order.

No party petitioned for review of the ID pursuant to 19 CFR 210.43(a), and the Commission found no basis for ordering a review on its own initiative pursuant to 19 CFR 210.44. The ID thus became the determination of the Commission pursuant to 19 CFR 210.42(h)(3).

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rule 210.42, 19 CFR 210.42.

By order of the Commission.
Issued: March 17, 2004.

Marilyn R. Abbott,
Secretary to the Commission.

[Investigation No. TA–2104–13]

U.S. Free Trade Agreement With Central America and the Dominican Republic: Potential Economywide and Selected Sectoral Effects

AGENCY: United States International Trade Commission.

ACTION: Institution of investigation.

SUMMARY: Following receipt on January 28, 2004, of a request from the United States Trade Representative (USTR), the Commission instituted investigation No. TA–2104–13, *U.S. Free Trade Agreement With Central America and the Dominican Republic: Potential Economywide and Selected Sectoral Effects*, under section 2104(f) of the Trade Act of 2002 (19 U.S.C. 3804(f)).

Background: As requested by the USTR, the Commission will prepare a report as specified in section 2104(f)(2)–(3) of the Trade Act of 2002 assessing the likely impact of the U.S. free trade agreement (FTA) with Central America and the Dominican Republic on the United States economy as a whole and on specific industry sectors and the interests of U.S. consumers. The report will assess the likely impact of the agreement on the United States economy as a whole and on specific industry sectors, including the impact the agreement will have on the gross domestic product, exports and imports, aggregate employment and employment opportunities, the production, employment, and competitive position of industries likely to be significantly affected by the agreement and the interests of United States consumers.

In preparing its assessment, the Commission will review available economic assessments regarding the agreement, including literature regarding any substantially equivalent proposed agreement, and will provide in its assessment a description of the analyses used and conclusions drawn in such literature, and a discussion of areas of consensus and divergence between the various analyses and conclusions, including those of the Commission regarding the agreement.

Section 2104(f)(2) requires that the Commission submit its report to the President and the Congress not later than 90 days after the President enters into the agreement, which he can do 90 days after he notifies the Congress of his intent to do so. The President notified the Congress on February 20, 2004, of his intent to enter into an FTA with Central America. At that time, the President also stated that negotiations were under way to integrate the Dominican Republic into the FTA with Central America.

The ITC has begun its assessment, and it will seek public input for the investigation through a public hearing on April 27, 2004. The date of the hearing is contingent on the successful conclusion of the negotiations with the Dominican Republic and when a public version of the final agreement is made available by the U.S. Trade Representative.

Effective Date: March 11, 2004.
