

position on a three-day closure period from 7 a.m. to 7 a.m., from March 3–7, 2004. During this period, the work requires completely immobilizing the operation of the lift span in the closed-to-navigation position. At all other times, the new bridge will operate in accordance with the current operating regulations outlined in 33 CFR 117.997(g). Calling the project superintendent at (757) 672–4829 will provide for emergency opening requests.

The Coast Guard has informed the known users of the waterway of the closure periods for the bridge so that these vessels can arrange their transits to minimize any impact caused by the temporary deviation.

The District Commander has granted temporary deviation from the operating requirements listed in 33 CFR 117.35 for the purpose of repair completion of the drawbridge. The temporary deviation allows the S168 (Great Bridge) lift-span bridge across the Albemarle and Chesapeake Canal, AICW, mile 12.0, at Chesapeake, Virginia, to remain closed to navigation on a three-day closure period from March 3–7, 2004, from 7 a.m. to 7 a.m.

Dated: March 1, 2004.

Waverly W. Gregory, Jr.,

Chief, Bridge Administration Branch, Fifth Coast Guard District.

BILLING CODE 4910–15–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[COTP PHILADELPHIA 03–007]

RIN 1625–AA00

Security Zone; Three Mile Island Generating Station, Susquehanna River, Dauphin County, Pennsylvania

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is continuing the effective period of the temporary security zone on the waters adjacent to the Three Mile Island Generating Station. This will protect the safety and security of the plants from subversive activity, sabotage, or terrorist attacks initiated from surrounding waters. This action will close water areas around the plants.

DATES: Effective February 25, 2004, § 165.T05–093, originally added at 68 FR 33399, June 4, 2003, effective from 5 p.m. e.d.t. on May 13, 2003, to 5 p.m.

e.s.t. on January 24, 2004; and reinstated and extended at 69 FR 6156, February 10, 2004, effective January 16, 2004, through 11:59 p.m. (e.s.t.) on February 29, 2004, is reinstated and is effective through July 31, 2004.

ADDRESSES: Documents as indicated in this preamble are available as part of docket COTP PHILADELPHIA 03–007 for inspection or copying at Coast Guard Marine Safety Office Philadelphia, One Washington Avenue, Philadelphia, Pennsylvania, 19147, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Junior Grade Kevin Sligh or Ensign Jill Munsch, Coast Guard Marine Safety Office/Group Philadelphia, at (215) 271–4889.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) and (d)(3), the Coast Guard finds that good cause exists for not publishing a NPRM and for making this regulation effective less than 30 days after publication in the **Federal Register**. Based upon the warnings from national security and intelligence personnel, this rule is urgently required to protect the plant from subversive activity, sabotage or possible terrorist attacks initiated from the waters surrounding the plants.

Delaying the effective date of the rule would be contrary to the public interest, since immediate action is needed to protect the persons at the facilities, the public and surrounding communities from the release of nuclear radiation. This security zone should have minimal impact on vessel transits because the security zone does not block the channel.

It took longer to resolve issues related to our proposed rule to create a permanent zone (68 FR 54177, September 16, 2003) than was expected at the time the last temporary final rule was issued, and new issues have since been discovered. This new temporary final rule is necessary because it would be contrary to public interest not to maintain a temporary safety and security zone until the final rule becomes effective.

Background and Purpose

Due to the continued warnings from national security and intelligence officials that future terrorist attacks are possible, such as those launched against New York and Washington, DC, on September 11, 2001, heightened security measures are necessary for the area

surrounding the Three Mile Island Generating Station. This rule will provide the Captain of the Port Philadelphia with enforcement options to deal with potential threats to the security of the plants.

The Coast Guard intends to implement a permanent security zone surrounding the plants. The Coast Guard will use the effective period of this temporary final rule to complete its rulemaking started with our September 16, 2003, publication of a notice of proposed rulemaking (NPRM) in the **Federal Register** (68 FR 54177) to develop a permanent regulation tailored to the present and foreseeable security environment within the Captain of the Port, Philadelphia, Pennsylvania zone.

Currently, the need for this security zone still exists. The extension of the security zone through the end of July 2004, will allow the Coast Guard time to establish a Memorandum of Understanding with civilian authorities and to publish a NPRM in the **Federal Register** without an interruption in the protection provided by the security zone.

Discussion of Rule

This temporary rule will extend the effective period of the security zone from 11:59 p.m. (e.s.t.) on February 29, 2004, through July 31, 2004. The size of the zone remains unchanged. No person or vessel may enter or remain in the prescribed security zone at any time without the permission of the Captain of the Port, Philadelphia, Pennsylvania or designated representative. Federal, State, and local agencies may assist the Coast Guard in the enforcement of this rule.

Regulatory Evaluation

This rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS).

The primary impact of this rule will be on vessels wishing to transit the affected waterway. Although this rule restricts traffic from freely transiting portions of the Susquehanna River, that restriction affects only a limited area and will be well publicized to allow mariners to make alternative plans.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect the following entities, some of which may be small entities: owners or operators of fishing vessels and recreational vessels wishing to transit the portions of the Susquehanna River.

The rule will not have a significant impact on a substantial number of small entities for the following reasons: the restrictions affect only a limited area and traffic will be allowed to transit through the zone with permission of the Coast Guard or designated representative. The opportunity to engage in recreational and charter fishing outside the geographical limits of the security zone will not be disrupted. Therefore, this regulation should have a negligible impact on recreational and charter fishing activity.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Security Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to security that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply,

Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(f) and (g), of Commandant Instruction M16475.1D, from further environmental documentation.

A final “Environmental Analysis Checklist” and a final “Categorical Exclusion Determination” will be available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Temporary § 165.T05–093 is reinstated and revised to read as follows:

§ 165.T05–093 Security Zone; Three Mile Island Generating Station, Susquehanna River, York County, Pennsylvania.

(a) *Location.* The following area is a security zone: the waters of the Susquehanna River in the vicinity of the Three Mile Island Generating Station bounded by a line drawn from a point located at 40°09′14.74″ N, 076°43′40.77″ W to 40°09′14.74″ N, 076°43′42.22″ W, thence to 40°09′16.67″ N, 076°43′42.22″

W, thence to 40°09'16.67" N, 076°43'40.77" W. All coordinates reference Datum: NAD 1983.

(b) *Regulations.* (1) All persons are required to comply with the general regulations governing security zones in § 165.33 of this part.

(2) No person or vessel may enter or navigate within this security zone unless authorized to do so by the Coast Guard or designated representative. Any person or vessel authorized to enter the security zone must operate in strict conformance with any directions given by the Coast Guard or designated representative and leave the security zone immediately if the Coast Guard or designated representative so orders.

(3) The Coast Guard or designated representative enforcing this section can be contacted on VHF Marine Band Radio, channels 13 and 16. The Captain of the Port can be contacted at (215) 271-4807.

(4) The Captain of the Port will notify the public of any changes in the status of this security zone by Marine Safety Radio Broadcast on VHF-FM marine band radio, channel 22 (157.1 MHz).

(c) *Definitions.* For the purposes of this section, *Captain of the Port* means the Commanding Officer of the Coast Guard Marine Safety Office/Group Philadelphia or any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port to act as a designated representative on his behalf.

(d) *Effective period.* This section is effective from 5 p.m. (e.d.t.) on May 13, 2003, through July 31, 2004.

Dated: February 25, 2004.

Jonathan D. Sarubbi,

Captain, U.S. Coast Guard, Captain of the Port Philadelphia.

BILLING CODE 4910-15-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 36

RIN 2900-AL85

Delegation of Authority—Property Management Contractor

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending its delegation of authority regulation with respect to the loan guaranty program. This amendment will permit certain officers of the private contractor performing property management functions to

execute all documents necessary for the management and sale of single-family properties acquired by VA under its housing loan guaranty program. This amendment will provide notice to buyers, lenders, and other real estate professionals of the contractor's authority to sign these documents rather than requiring VA to prepare and record powers of attorney, thereby increasing the efficiency of the loan guaranty program.

DATES: *Effective Date:* March 8, 2004.

FOR FURTHER INFORMATION CONTACT: William W. Lutes, Assistant Director for Property Management and Strategic Development (263), Veterans Benefits Administration, 810 Vermont Ave., Washington, DC 20420, telephone 202-273-7379.

SUPPLEMENTARY INFORMATION: The provisions of 38 U.S.C. chapter 37 authorize the Secretary of Veterans Affairs (VA) to guarantee or make loans to veterans. Following the termination of loans which have been in serious default, the holder of the guaranteed loan may, pursuant to 38 U.S.C. 3732(c), have an election to convey to the Secretary the property which had secured the loan. Upon receipt of these properties, VA sells them to the general public in order to reduce the loss to the Federal Treasury on the guaranteed loan. The sale of such properties is not a benefit to veterans.

VA has contracted with a private entity to handle the management and resale of its inventory of acquired properties. In order to increase the efficiency of this contract, certain officers of the contractor are being delegated authority to execute, on behalf of VA, routine documents necessary for the management and sale of these properties.

Currently, 38 CFR 36.4342 authorizes certain VA officials, such as field station Directors, Loan Guaranty Officers, and Assistant Loan Guaranty Officers, to execute these documents. Regional Offices are required to maintain a cumulative list of all employees of that office who have held the designated positions since May 1, 1980. In addition, 38 CFR 36.4342(e) authorizes certain officers of the private contractor servicing loans made or acquired by VA to execute on behalf of the Secretary all documents necessary for the servicing and termination of those loans. VA also maintains a log of the corporate officers who have been authorized to execute these documents.

This rule adds a new paragraph (f) to 38 CFR 36.4342 which delegates to persons holding the office of Senior Vice President, Vice President, Assistant

Vice President, Assistant Secretary, Director, and Senior Manager of the entity performing property management and sales functions under a contract with VA the authority to execute all documents necessary for the management and sale of residential real property acquired by VA under the housing loan program authorized by 38 U.S.C. chapter 37. Documents authorized to be executed will include sales contracts, deeds, documents relating to removing adverse occupants, and any documents relating to sales closings. The authorization to execute deeds is limited to deeds other than general warranty deeds.

The Director of the VA Loan Guaranty Service, Washington, DC, will maintain a log listing all corporate officers of the contractor who have been authorized to execute documents and the dates during which these persons were authorized to act. VA will also maintain copies of resolutions of the contractor's board of directors authorizing these persons to execute these documents. Those files will be available for public inspection and copying during normal business hours at the Office of the Director of VA Loan Guaranty Service, Washington, DC 20420.

The provisions of 38 CFR 36.4342(f) are published without regard to the notice and comment and delayed effective date provisions of 5 U.S.C. 553 since they relate to agency management and personnel and are not substantive rules.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any given year. This proposed amendment would have no such effect on State, local, or tribal governments, or the private sector.

Paperwork Reduction Act

This document contains no provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501-3520).

Regulatory Flexibility Act

The Secretary of Veterans Affairs hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. The final rule relates to agency management and personnel and does not contain substantive provisions affecting small
