Automotive Replacement Glass Windshields from the People's Republic of China: Initiation of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received information sufficient to warrant initiation of a changed circumstances review of the antidumping order on Automotive Replacement Glass ("ARG") Windshields from the People's Republic of China ("PRC"). The review will be conducted to determine whether Shenzhen CSG Automotive Glass Co., Ltd. ("Shenzhen CSG") is the successor-in-interest to Shenzhen Benxun AutoGlass Co., Ltd. ("Shenzhen Benxun").

EFFECTIVE DATE: March 8, 2004.

FOR FURTHER INFORMATION CONTACT: Jon Freed or Robert Bolling, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230;

telephone (202) 482-3818 or (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 4, 2002, the Department of Commerce ("the Department") published in the **Federal Register** the antidumping duty order on automotive replacement glass ("ARG") windshields from the PRC. *See Antidumping Duty Order: Automotive Replacement Glass Windshields from the People's Republic of China*, 67 FR 16087 (April 4, 2002). On April 7, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on ARG windshields from the PRC for the period September 19, 2001 through March 31, 2003. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 16761 (April 7, 2003). On April 30, 2003, the Department received a letter on behalf of Shenzhen CSG Automotive Glass Co., Ltd. ("Shenzhen CSG") requesting an administrative review of its sales and entries of subject merchandise. In its request, Shenzhen CSG indicated that it had undergone a name change, and that it had formerly been known as Shenzhen Benxun AutoGlass Co., Ltd. ("Shenzhen Benxun"). Shenzhen Benxun was a respondent in the original investigation of this case. The request for review did not include a request for a changed circumstance review to determine whether Shenzhen CSG is in fact a successor in interest to Shenzhen Benxun. Further, the Department did not advise Shenzhen CSG or Shenzhen Benxun that a successor in interest determination must be made before Shenzhen CSG would be entitled to Shenzhen Benxun's cash deposit rate. On May 21, 2003, in response to timely requests from respondents subject to the order on ARG windshields from the PRC, the Department published in the **Federal Register** a notice of initiation of this antidumping duty administrative review of sales by ten respondents, including "Shenzhen CSG Automotive Glass Co., Ltd. (formerly known as Shenzhen Benxun AutoGlass Co., Ltd.)" of ARG windshields from the PRC for the period September 19, 2001 through March 31, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 27781 (May 21, 2003) ("Initiation Notice").

On June 3, 2003, the Department issued antidumping duty questionnaires to the respondents, including

"Shenzhen CSG Automotive Glass Co., Ltd. (formerly known as Shenzhen Benxun AutoGlass Co., Ltd.)". On July 8, 2003, we received a letter from "Shenzhen CSG Automotive Glass Co., Ltd. (formerly known as Shenzhen Benxun AutoGlass Co., Ltd.)" withdrawing its request for an administrative review of sales and entries of subject merchandise exported by it and covered by the antidumping duty order on ARG windshields from the PRC. On September 8, 2003, the Department published in the **Federal Register** a notice of partial rescission of the administrative review on ARG windshields from the PRC, which included a rescission of the administrative review of sales and entries from "Shenzhen CSG Automotive Glass Co., Ltd. (formerly known as Shenzhen Benxun AutoGlass Co., Ltd.)". On December 29, 2003, the Department instructed Customs and Border Protection ("Customs") to liquidate entries from Shenzhen Benxun at its cash deposit rate of 9.84%, but to liquidate entries from Shenzhen CSG at the China-wide rate of 124.5% because the Department never had an opportunity to determine whether Shenzhen CSG is a successor in interest to Shenzhen Benxun. On January 12, 2004, the Department received a letter on behalf of "Shenzhen CSG Automotive Glass Co., Ltd. (formerly known as Shenzhen Benxun AutoGlass Co., Ltd.)" requesting that the Department amend instructions sent to Customs that direct Customs to liquidate all of Shenzhen CSG's entries at the China wide-rate. Shenzhen CSG asserts that Shenzhen Benxun changed its name to Shenzhen CSG and that entries from Shenzhen CSG should be entitled to Shenzhen Benxun's cash deposit rate.

Scope

The products covered by this review are ARG windshields, and parts thereof, whether clear or tinted, whether coated or not, and whether or not they include antennas, ceramics, mirror buttons or VIN notches, and whether or not they are encapsulated. ARG windshields are laminated safety glass (*i.e.*, two layers of (typically float) glass with a sheet of clear or tinted plastic in between (usually polyvinyl butyral)), which are produced and sold for use by automotive glass installation shops to replace windshields in automotive vehicles (*e.g.*, passenger cars, light trucks, vans, sport utility vehicles, etc.) that are cracked, broken or otherwise damaged.

ARG windshields subject to this review are currently classifiable under
