[COTP San Francisco Bay 04-010]

RIN 1625-AA00

Safety Zone; San Francisco Bay, CA**AGENCY:** Coast Guard, DHS.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary, moving safety zone in the navigable waters of San Francisco Bay, California, around a fireworks launch barge used during a fireworks display following a San

Francisco Giants Baseball game on Memorial Day weekend. The safety zone is necessary to provide for the safety of mariners in the vicinity of the fireworks barge and for the safety of the vessels, crews, and technicians working the fireworks launch barge and pyrotechnics. Persons and vessels are prohibited from entering into or transiting through the safety zone, unless authorized by the Captain of the Port or his designated representative.

DATES: This rule is effective from 10 a.m. to 11:30 p.m. (PDT) on May 29, 2004.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [COTP San Francisco Bay 04-010] and are available for inspection or copying at Coast Guard Marine Safety Office San Francisco Bay, Coast Guard Island, Alameda, California, 94501, between 9 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Doug L. Ebbers, U.S. Coast Guard Marine Safety Office San Francisco Bay, at (510) 437-3073.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Logistical details surrounding the event were not finalized and presented to the Coast Guard in time to draft and publish an NPRM. As such, the event would occur before the rulemaking process was complete. Any delay in implementing this rule would be contrary to the public interest since immediate action is necessary to temporarily close the area around the fireworks barge during loading, transit, and the fireworks display to protect the maritime public from the hazards associated with the pyrotechnics and the fireworks display, which are intended for public entertainment.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**, for the same reasons as stated above.

Background and Purpose

The San Francisco Giants Baseball Team is sponsoring a short fireworks display on May 29, 2004 in the waters of San Francisco Bay near SBC Park immediately following a baseball game on Memorial Day Weekend. The fireworks barge will be located
