RIN 1010-AC91

Oil and Gas and Sulphur Operations in the Outer Continental Shelf—Revision of Requirements Governing Outer Continental Shelf Rights-of-Use and Easement and Pipeline Rights-of-Way**AGENCY:** Minerals Management Service (MMS), Interior.**ACTION:** Correcting amendments.

SUMMARY: This document makes a correction to the final rule titled "Oil and Gas and Sulphur Operations in the Outer Continental Shelf—Revision of Requirements Governing Outer Continental Shelf Rights-of-Use and Easement and Pipeline Rights-of-Way" that was published December 12, 2003 (68 FR 69308). Incorrect cross-references are changed and the term "will" is employed in lieu of "shall."

DATES: Effective on May 24, 2004.**FOR FURTHER INFORMATION CONTACT:** Kumkum Ray, Regulations and Standards Branch at (703) 787-1604.**SUPPLEMENTARY INFORMATION:****Background**

The final regulations that are the subject of this correction amended 30 CFR 250.160 and 30 CFR 250.1012.

Need for Correction

As published, the final regulations contained two references to 30 CFR 250.1009 (d), although the regulation now is numbered 30 CFR 250.1013. Moreover, § 250.1013 has no application to rights-of-use and easement.

List of Subjects in 30 CFR Part 250

Continental shelf, Environmental impact statements, Environmental protection, Government contracts, Incorporation by reference, Investigations, Mineral royalties, Oil and gas development and production, Oil and gas exploration, Oil and gas reserves, Penalties, Pipelines, Public lands-mineral resources, Public lands-rights-of-way, Reporting and recordkeeping requirements, Sulphur development and production, Sulphur exploration, Surety bonds.

Correction of Publication

■ Accordingly, 30 CFR Part 250 is corrected by making the following correcting amendments:

PART 250—OIL AND GAS AND SULPHUR OPERATIONS IN THE OUTER CONTINENTAL SHELF

■ 1. The authority citation for part 250 continues to read as follows:

Authority: 43 U.S.C. 1331, *et seq.*

■ 2. In § 250.160, paragraph (i) is revised to read as follows:

§ 250.160 When will MMS grant me a right-of-use and easement, and what requirements must I meet?

* * * * *

(i) *Late payments.* An interest charge will be assessed on unpaid and underpaid amounts from the date the amounts are due, in accordance with the provisions found in 30 CFR 218.54. If you fail to make a payment that is late after written notice from MMS, MMS may initiate cancellation of the right-of-use grant and easement.

■ 3. In § 250.1012, paragraph (e) is revised to read as follows:

§ 250.1012 Required payments for pipeline right-of-way holders.

* * * * *

(e) *Late payments.* An interest charge will be assessed on unpaid and underpaid amounts from the date the amounts are due, in accordance with the provisions found in 30 CFR 218.54. If you fail to make a payment that is late after written notice from MMS, MMS may initiate cancellation of the right-of-use grant and easement under 30 CFR 250.1013.

Dated: May 17, 2004.

Rebecca W. Watson,

Assistant Secretary—Land and Minerals Management.

BILLING CODE 4310-MR-P

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[COTP San Francisco Bay 04-010]

RIN 1625-AA00

Safety Zone; San Francisco Bay, CA**AGENCY:** Coast Guard, DHS.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary, moving safety zone in the navigable waters of San Francisco Bay, California, around a fireworks launch barge used during a fireworks display following a San

Francisco Giants Baseball game on Memorial Day weekend. The safety zone is necessary to provide for the safety of mariners in the vicinity of the fireworks barge and for the safety of the vessels, crews, and technicians working the fireworks launch barge and pyrotechnics. Persons and vessels are prohibited from entering into or transiting through the safety zone, unless authorized by the Captain of the Port or his designated representative.

DATES: This rule is effective from 10 a.m. to 11:30 p.m. (PDT) on May 29, 2004.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [COTP San Francisco Bay 04-010] and are available for inspection or copying at Coast Guard Marine Safety Office San Francisco Bay, Coast Guard Island, Alameda, California, 94501, between 9 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Doug L. Ebbers, U.S. Coast Guard Marine Safety Office San Francisco Bay, at (510) 437-3073.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Logistical details surrounding the event were not finalized and presented to the Coast Guard in time to draft and publish an NPRM. As such, the event would occur before the rulemaking process was complete. Any delay in implementing this rule would be contrary to the public interest since immediate action is necessary to temporarily close the area around the fireworks barge during loading, transit, and the fireworks display to protect the maritime public from the hazards associated with the pyrotechnics and the fireworks display, which are intended for public entertainment.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**, for the same reasons as stated above.

Background and Purpose

The San Francisco Giants Baseball Team is sponsoring a short fireworks display on May 29, 2004 in the waters of San Francisco Bay near SBC Park immediately following a baseball game on Memorial Day Weekend. The fireworks barge will be located

approximately 500 feet off of Pier 48. The safety zone is necessary to protect the spectators, vessels, and other property from the hazards associated with the pyrotechnics on the launch barge and the fireworks show. The temporary safety zone will consist of a portion of the navigable waters of San Francisco Bay, California. The Coast Guard has granted the San Francisco Giants and Pyro Spectaculars a marine event permit for this event.

Discussion of Rule

During the loading of the fireworks barge at Pier 50 in San Francisco, while the barge is being towed from Pier 50 to the location of the fireworks display, and until the start of the fireworks display, the safety zone will encompass the navigable waters around and under the fireworks barge within a radius of 100 feet. During the 15-minute fireworks display, which will take place in a position approximately 500 feet off of Pier 48 in position 37°46'34" N, 122°23'00" W, the safety zone will increase in size to encompass the navigable waters around and under the fireworks barge within a radius of 1,000 feet. Entry into, transit through or anchoring within this safety zone is prohibited, unless authorized by the Captain of the Port or his designated representative.

U.S. Coast Guard personnel will enforce this safety zone. The Coast Guard may be assisted by other Federal, State, or local agencies, including the Coast Guard Auxiliary. Section 165.23 of Title 33, Code of Federal Regulations, prohibits any unauthorized person or vessel from entering or remaining in a safety zone. Vessels or persons violating this section will be subject to the penalties set forth in 33 U.S.C. 1232. Pursuant to 33 U.S.C. 1232, any violation of the safety zone described herein, will be punishable by civil penalties (not to exceed \$32,500 per violation, where each day of a continuing violation is a separate violation), criminal penalties (imprisonment up to 6 years and a maximum fine of \$250,000), and in rem liability against the offending vessel. Any person who violates this section, using a dangerous weapon, or who engages in conduct that causes bodily injury or fear of imminent bodily injury to any officer authorized to enforce this regulation, also faces imprisonment up to 12 years.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not

require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

Although the safety zone will restrict boating traffic within San Francisco Bay, the effect of this regulation will not be significant as the safety zone will encompass only a small portion of the waterway and will be short in duration. The entities most likely to be affected are pleasure craft engaged in recreational activities and sightseeing.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. As discussed above, the safety zone may affect the following entities, some of which may be small entities: The owners and operators of pleasure craft engaged in recreational activities and sightseeing. The safety zone will not have a significant economic impact on a substantial number of small entities for several reasons: Vessel traffic can pass safely around the area, vessels engaged in recreational activities and sightseeing have ample space outside of the safety zone to engage in these activities, and this zone will encompass only a small portion of the waterway for a limited period of time. The maritime public will be advised of the safety zone via public notice to mariners.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. If the rule will affect your small business, organization, or government jurisdiction and you have questions concerning its provisions, options for compliance, or assistance in understanding this rule, please contact

the person listed under **FOR FURTHER INFORMATION CONTACT**.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not

an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2-1, paragraph (34)(g), of the Instruction, from further environmental documentation because we are establishing a safety zone.

A final "Environmental Analysis Check List" and a final "Categorical Exclusion Determination" will be available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Temporarily add § 165.T11-014 to read as follows:

§ 165.T11-014 Safety Zone: San Francisco Bay, California.

(a) *Location.* During the loading of the fireworks barge at Pier 50 in San Francisco, during the transit of the barge to the location of the fireworks display, and until the fireworks display commences, the safety zone will encompass the navigable waters of San Francisco Bay within a radius of 100 feet around and under the fireworks launch barge. During the 15-minute fireworks display, the safety zone will increase in size to encompass the navigable waters of San Francisco Bay within a radius of 1,000 feet around and under the fireworks launch barge, which will be located 500 feet off of Pier 48 in approximate position 37°46'34" N, 122°23'00" W.

(b) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transit through, or anchoring within this zone is prohibited unless authorized by the Captain of the Port or his designated representative.

(2) Persons desiring to transit the area of a safety zone may contact the Captain of the Port at telephone number 415-399-3547 or on VHF-FM channel 16 (156.8 MHz) to seek permission to transit the area. If permission is granted, all persons and vessels must comply with the instructions of the Captain of the Port or his designated representative.

(3) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene patrol personnel. Patrol personnel can be comprised of commissioned, warrant, and petty officers of the Coast Guard onboard Coast Guard, Coast Guard Auxiliary, local, state, and federal law enforcement vessels. Upon being hailed by U.S. Coast Guard patrol personnel by siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

(c) *Effective period.* The safety zone in this section is effective from 10 a.m. until 11:30 p.m., on May 29, 2004.

(d) *Enforcement period.* (1) A 100-foot safety zone will be enforced during

loading operations, scheduled to commence at 10 a.m. (PDT) on May 29, 2004.

(2) A 100-foot safety zone will be enforced while the barge is towed from Pier 50 to the location of the fireworks display approximately 500 feet off of Pier 48. The towing evolution is scheduled to take place between 9 p.m. and 10 p.m. (PDT) on May 29, 2004. (3) The safety zone will increase in size to 1,000 feet, and be enforced during the 15-minute fireworks display, which will commence approximately 5 minutes after the conclusion of the baseball game. The conclusion of the baseball game is tentatively scheduled to occur between 10:30 p.m. and 11 p.m. (PDT) on May 29, 2004.

Dated: May 13, 2004.

Gerald M. Swanson,

Captain, U.S. Coast Guard, Captain of the Port, San Francisco Bay.
