

Needs and Uses: The Army ROTC Program produces approximately 75 percent of the newly commissioned officers for the U.S. Army. The Army ROTC must have the ability to attract quality men and women who will pursue college degrees. Currently, there are 13 recruiting teams (Goldminers) located in various places across the United States aiding in this cause. Their mission is to refer quality high school students to colleges and universities offering Army ROTC. Goldminers, two officer personnel, will collect ROTC Referral information at a high school campus and document it on ROTC Cadet Command Form 155-R.

Affected Public: Individuals or households.

Annual Burden Hours: 4,075.

Number of Respondents: 16,300.

Responses per Respondent: 1.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION: The purpose of the information is to provide prospect referral data to a Professor of Military Science to contact individuals who have expressed an interest in Army ROTC. If Goldminers did not collect referral information, we would suffer a negative impact on the recruiting effort and subsequent commissioning of new officers for the U.S. Army.

Luz D. Ortiz,

Army Federal Register Liaison Officer.

DEPARTMENT OF DEFENSE

Department of the Army

Inland Waterways Users Board; Request for Nominations

AGENCY: Department of the Army, DOD.

ACTION: Notice.

SUMMARY: Section 302 of Public Law 99-662 established the Inland Waterways Users Board. The Board is an independent Federal advisory committee. The Secretary of the Army appoints its 11 members. This notice is to solicit nominations for five (5) appointments or reappointments to two-year terms that will begin after April 5, 2004.

ADDRESSES: Office of the Assistant Secretary of the Army (Civil Works), Department of the Army, Washington, DC 20310-0103. Attention: Inland Waterways Users Board Nominations Committee.

FOR FURTHER INFORMATION CONTACT: Office of the Assistant Secretary of the Army (Civil Works) (703) 697-8986.

SUPPLEMENTARY INFORMATION: The selection, service, and appointment of Board members are covered by provisions of section 302 of Public Law 99-662. The substance of those provisions is as follows:

a. Selection. Members are to be selected from the spectrum of commercial carriers and shippers using the inland and intracoastal waterways, to represent geographical regions, and to be representative of waterborne commerce as determined by commodity ton-miles statistics.

b. Service. The Board is required to meet at least semi-annually to develop and make recommendations to the Secretary of the Army on waterways construction and rehabilitation priorities and spending levels for commercial navigation improvements, and report its recommendations annually to the Secretary and Congress.

c. Appointment. The operation of the Board and appointment of its members are subject to the Federal Advisory Committee Act (Pub. L. 92-463, as amended) and departmental implementing regulations. Members serve without compensation but their expenses due to Board activities are reimbursable. The considerations specified in section 302 for the selection of the Board members, and certain terms used therein, have been interpreted, supplemented, or otherwise clarified as follows:

(1) Carriers and Shippers. The law uses the terms "primary users and shippers." Primary users have been interpreted to mean the providers of transportation services on inland waterways such as barge or towboat operators. Shippers have been interpreted to mean the purchasers of such services for the movement of commodities they own or control. Individuals are appointed to the Board, but they must be either a carrier or shipper, or represent a firm that is a carrier or shipper. For that purpose a trade or regional association is neither a shipper or primary user.

(2) Geographical Representation. The law specifies "various" regions. For the purpose of selecting Board members, the waterways subjected to fuel taxes and described in Public Law 95-502, as amended, have been aggregated into six regions. They are (1) the Upper Mississippi River and its tributaries above the mouth of the Ohio; (2) the Lower Mississippi River and its tributaries below the mouth of the Ohio and above Baton Rouge; (3) the Ohio

River and its tributaries; (4) the Gulf Intracoastal Waterway in Louisiana and Texas; (5) the Gulf Intracoastal Waterway east of New Orleans and associated fuel-taxed waterways including the Tennessee-Tombigbee, plus the Atlantic Intracoastal Waterway below Norfolk; and (6) the Columbia-Snake Rivers System and Upper Willamette. The intent is that each region shall be represented by at least one Board member, with that representation determined by the regional concentration of the individual's traffic on the waterways.

(3) Commodity Representation.

Waterway commerce has been aggregated into six commodity categories based on "inland" ton-miles shown in Waterborne Commerce of the United States. These categories are (1) Farm and Food Products; (2) Coal and Coke; (3) Petroleum, Crude and Products; (4) Minerals, Ores, and Primary Metals and Mineral Products; (5) Chemicals and Allied Products; and (6) All other. A consideration in the selection of Board members will be that the commodities carried or shipped by those individuals or their firms will be reasonably representative of the above commodity categories.

d. Nomination. Reflecting preceding selection criteria, the current representation by the five (5) Board members whose terms expire April 5, 2004, is two members representing region 1, one member representing region 2, one member representing region 3, and one member representing region 6. Also, these Board members represent two carriers, one shipper, and two shipper/carriers. Three of the five members whose terms expire April 5, 2004, are eligible for reappointment. Nominations to replace Board members whose terms expire April 5, 2004, may be made by individuals, firms or associations. Nominations will:

(1) State the region to be represented.

(2) State whether the nominee is representing carriers, shippers or both.

(3) Provide information on the nominee's personal qualifications.

(4) Include the commercial operations of the carrier and/or shipper with whom the nominee is affiliated. This commercial operations information will show the actual or estimated ton-miles of each commodity carried or shipped on the inland waterways system in a recent year (or years) using the waterway regions and commodity categories previously listed.

Nominations received in response to **Federal Register** notice (67 FR 47525) published on July 19, 2002, have been retained for consideration.

Renomination is not required but may be desirable.

e. Deadline for Nominations. All nominations must be received at the address shown above no later than March 5, 2004.

Luz D. Ortiz,

Army Federal Register Liaison Officer.

Availability for Non-Exclusive, Exclusive, or Partially Exclusive Licensing of U.S. Patent Concerning Antivesicant Compounds and Methods of Making and Using Thereof

AGENCY: Department of the Army, DoD.

ACTION: Notice.

SUMMARY: In accordance with 37 CFR 404.6 and 404.7, announcement is made of the availability for licensing of U.S. Patent No. 6,664,280 entitled "Antivesicant Compounds and Methods of Making and Using Thereof," granted December 16, 2003. Foreign rights are also available (PCT/US01/23562). The United States Government, as represented by the Secretary of the Army, has rights in this invention.

ADDRESSES: Commander, U.S. Army Medical Research and Materiel Command, Attn: Command Judge Advocate, MCMR-JA, 504 Scott Street, Fort Detrick, Frederick, MD 21702-5012.

FOR FURTHER INFORMATION CONTACT: For patent issues, Ms. Elizabeth Arwine, Patent Attorney, (301) 619-7808. For licensing issues, Dr. Paul Mele, Office of Research & Technology Assessment, (301) 619-6664, both at telefax (301) 619-5034.

SUPPLEMENTARY INFORMATION: This invention relates generally to antivesicant compounds and methods of making and using thereof. In particular, the present invention relates to antivesicant compounds comprising 2-mercaptopyridine-N-oxide as a backbone structure.

Availability for Non-Exclusive, Exclusive, or Partially Exclusive Licensing of U.S. Patent Application Concerning Chemosensitizing Agents Against Choroquine Resistant P. Falciparum and Methods of Making and Using Thereof

AGENCY: Department of the Army, DoD.

ACTION: Notice.

SUMMARY: In accordance with 37 CFR 404.6 and 404.7, announcement is made of the availability for licensing of U.S. Patent Application No. 09/849,400 entitled "Chemosensitizing Agents Against Chloroquine Resistant P. Falciparum and Methods of Making and Using Thereof," filed May 7, 2001. Foreign rights are also available (PCT/USO1/14574). The United States Government, as represented by the Secretary of the Army, has rights in this invention.

ADDRESSES: Commander, U.S. Army Medical Research and Materiel Command, ATTN: Command Judge Advocate, MCMR-JA, 504 Scott Street, Fort Detrick, Frederick, MD 21702-5012.

FOR FURTHER INFORMATION CONTACT: For patent issues, Ms. Elizabeth Arwine, Patent Attorney, (301) 619-7808. For licensing issues, Dr. Paul Mele, Office of Research & Technology Assessment, (301) 610-6664, both at telefax (301) 619-5034.

SUPPLEMENTARY INFORMATION: A compound having the structural formula

or pharmaceutically acceptable salt or prodrug thereof, wherein X is a substituted or unsubstituted alkyl or a heteroatom; n is 4, 5 or 6; Y is a substituted or unsubstituted or alkyl, cycloalkyl, heterocycloalkyl, aryl, heteroaryl, or

wherein R1 and R2 are each independently, H, a heteroatom, substituted or unsubstituted alkyl, cycloalkyl, heterocycloalkyl, aryl, or heteroaryl; and wherein each ring structure are independently substituted or unsubstituted is disclosed. Also

disclosed are chemosensitizing agents and methods of modulating, attenuating, reversing, or affecting a cell's or organism's resistance to a given drug such as an antimalarial.

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Inland Waterways Users Board

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of open meeting.

SUMMARY: In accordance with 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), announcement is made of the forthcoming meeting.

Name of Committee: Inland Waterways Users Board (Board).

Date: February 19, 2004.

Location: Washington Court Hotel on Capitol Hill, 525 New Jersey Avenue, NW., in Washington, DC (1-202-628-2100).

Time: Registration will begin at 8:30 a.m. and the meeting is scheduled to adjourn at 11 a.m.

Agenda: The Board will hear briefings on the status of both the funding for inland navigation projects and studies, and the Inland Waterways Trust Fund. The Board will also consider its priorities for the next fiscal year.

FOR FURTHER INFORMATION CONTACT: Mr. Norman T. Edwards, Headquarters, U.S. Army Corps of Engineers, CECW-PD, 441 G Street, NW., Washington, DC 20314-1000; Ph: 202-761-4559.

SUPPLEMENTARY INFORMATION: The meeting is open to the public. Any interested person may attend, appear before, or file statements with the committee at the time and in the manner permitted by the committee.

Luz D. Ortiz,

Army Federal Register Liaison Officer.
