Amendment to Certification of Nebraska's Central Filing System

AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA.

ACTION: Notice.

SUMMARY: In response to a request from Nebraska's Deputy Secretary of State we are approving the addition of a farm product to Nebraska's certified central

filing system for notification of liens on farm products.

DATES: *Effective Date:* June 15, 2004.

SUPPLEMENTARY INFORMATION: The Grain Inspection, Packers and Stockyards Administration (GIPSA) administers the Clear Title program for the Secretary of Agriculture. The Clear Title program is authorized by section 1324 of the Food Security Act of 1985 and requires that States implementing central filing system for notification of liens on farm products must have such systems certified by the Secretary of Agriculture.

A listing of the States with certified central filing systems is available through the Internet on the GIPSA Web site (<http://www.usda.gov/gipsa/>). Listings of the specified farm products covered by a State's central filing system are also available through the GIPSA Web site.

We originally certified the central filing system for Nebraska on December 19, 1986. On April 6, 2004, Debbie Pester, Nebraska's Deputy Secretary of State, requested the certification be amended to add the following farm product produced in Nebraska: *Bull Semen*.

This notice announces the amended certification for Nebraska's central filing system in accordance with the request to add an additional farm product.

Effective Date

This notice is effective upon signature for good cause because it will allow Nebraska to provide information about an additional farm product through its central filing system. Approving additional farm products for approved central filing systems does not require public notice. Therefore, this notice may be made effective in less than 30 days after publication in the **Federal Register** without prior notice or other public procedure.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Special American Business Internship Training (SABIT) programs of the Department of Commerce's International Trade Administration (ITA), are a key element in the U.S. Government's efforts to support the economic transition of Eurasia (the former Soviet Union). SABIT places business executives and scientists from Eurasia in U.S. firms for one-to-six month internships to gain firsthand experiences working in a market economy. This unique private sector-U.S. Government partnership was created in order to tap the U.S. private sector's expertise in assisting Eurasia's transition to a market economy while boosting U.S.-Eurasian long-term trade. Under the original or "Grant" SABIT

program, qualified U.S. firms will receive funds through a cooperative agreement with ITA to help defray the cost of hosting interns. The information collected by the Application is needed by the SABIT staff to recruit and screen respondents and provide U.S. firms with a pool of eligible candidates from which to select interns. Intern applications are required to determine the suitability of candidates for SABIT internships. Feedback surveys and end-of-internship reports are needed to enable SABIT to track the success of the program as regards trade between the U.S. and the countries of Eurasia, as well as to improve the content and administration of the programs. The closing date for applications and supplemental materials is approximately 120 days after the date of publication in the **Federal Register**. Pursuant to section 632(a) of the Foreign Assistance Act of 1961, as amended (the "Act") funding for the program will be provided by the Agency for International Development (AID).

II. Method of Collection

Applications are sent to U.S. companies and intern candidates via facsimile or mail upon request. Feedback surveys are given to participating U.S. companies and interns at the completion of programs.

Notice of Decision of the Court of International Trade: Certain Stainless Steel Butt-Weld Pipe Fittings From Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of decision of the Court of International Trade.

SUMMARY: On June 4, 2004, the Court of International Trade (CIT) reversed the Department of Commerce's (the Department's) antidumping duty order scope determination. *Allegheny Bradford Corporation, d/b/a Top Line Process Equipment Company v. United States*, Court No. 02-00073, Slip. Op. 04-59 (CIT, June 4, 2004) (*Allegheny Bradford Corp.*). Consistent with the decision of the United States Court of Appeals for the Federal Circuit (Federal Circuit) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the Department is notifying the public that the *Allegheny Bradford Corp.* decision was "not in harmony" with the Department's scope determination.

EFFECTIVE DATE: June 21, 2004.

FOR FURTHER INFORMATION CONTACT:

James Doyle, Office IX, DAS Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0159.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2001, the Department of Commerce (the Department) issued its *Final Scope Ruling on the Antidumping Duty Order on Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Allegheny Bradford Corporation d/b/a Top Line Process Equipment*. In this ruling, the

Department found the subject merchandise in question to be within the scope of the order as the Department did not find the designation of the fittings as "tube" rather than "pipe" fittings to provide a meaningful distinction given the significant overlap between common usage of those two terms. Allegheny Bradford Corporation, d/b/a Top Line Process Equipment Company challenged this determination before the CIT arguing, in relevant part, that its stainless steel butt-weld tube fittings from Taiwan were improperly ruled to be within the scope of the antidumping duty order by the Department. On June 4, 2004, the CIT reversed the Department's antidumping duty order scope determination. *Allegheny Bradford Corp.* Stating that the scope of the antidumping duty order unambiguously excludes fittings which are not beveled, the CIT ordered that the Department must exclude the stainless steel butt-weld pipe fittings subject to this request from the scope of the antidumping order. *Id.*

Timken Notice

In its decision in *Timken*, the Federal Circuit held that, pursuant to 19 U.S.C. 1516a(e), the Department must publish notice of a decision of the CIT which is "not in harmony" with the Department's results. The CIT's decision in *Allegheny Bradford Corp.* was not in harmony with the Department's final scope determination. Therefore, publication of this notice fulfills the obligation. In addition, this notice will serve to continue the suspension of liquidation pending the expiration of the period to appeal the CIT's June 4, 2004, decision, or, if that decision is appealed, pending a final decision by the Federal Circuit. The Department will issue liquidation instructions and revise cash deposit instructions effective the date of publication of this notice in the **Federal Register** if the CIT's decision is not appealed, or if it is affirmed on appeal.

Dated: June 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.
