**DEPARTMENT OF DEFENSE****Defense Logistics Agency****Cost Sharing Cooperative Agreement Applications**

**AGENCY:** Defense Logistics Agency (DLA).

**ACTION:** Notice of solicitation for cost sharing cooperative agreement applications.

**SUMMARY:** The Defense Logistics Agency (DLA) issued a solicitation for cooperative agreement applications (SCAA) to assist state and local governments and other nonprofit eligible entities in establishing or maintaining procurement technical assistance centers (PTACs). These centers help business firms market their goods and services to the Department of Defense (DoD), other federal agencies, and state and/or local government agencies. Notice of the issuance of this SCAA was published in the March 18, 2003 **Federal Register** (Volume 68, Number 52, page 12897). This solicitation governs the submission of applications for calendar years 2003 thru 2007 and applies to all applications from all eligible entities, including Indian Economic Enterprises and Indian Tribal Organizations. The current and applicable SCAA is available at the Internet Web site listed below. The FY 2005 DoD Appropriations Act (Pub. L. 108-287) has appropriated funds for the continuance of the program in FY 2005 and requires DoD to make available not less than \$3.6 million for applicants that meet the definition 10 U.S.C. 2411(1)(D). The 3 existing PTACs meeting this definition will not utilize the entire \$3.6 million, therefore, pursuant to Section "I" paragraph "K" of the SCAA, notice is hereby given that limited additional funds are available in order to accept applications for additional new programs from eligible entities, but limited only to those that meet either definition listed in Section "II" paragraphs "19.d" (Indian Economic Enterprise) or "19.e" (Indian Tribal Organization) of the SCAA. However, applications will only be accepted from eligible entities that propose programs that will provide service to areas that are not currently receiving service from an existing program.
