Title: State Plan for Child Support Under Title IV-D of the Social Security Act (OCSE-100 and OCSE-21-U4).

OMB No.: 0970-0017.

Description: The state plan serves as a contract between the Office of Child

Support Enforcement (OCSE) and State IV-D agencies in outlining the activities the state will perform as required by law in order for states to receive Federal funds for child support enforcement. The information collected on the state plan pages is necessary to enable OCSE to determine whether each state has a IV-D state plan that meets the requirements in title IV-D of the Social Security Act (the Act) and implementing regulations. The state plan preprint gives each state a convenient method for developing a statement to be submitted to OCSE for approval describing the nature and scope of its program and giving assurances that the program will be administered in conformity with the requirements in title IV-D of the Act and the implementing regulations at 45 CFR Chapter III. Once received, the Federal office will review the state plan to ensure its compliance with regulations.

Respondents: State IV-D Agencies.

Title: TANF High Performance Bonus Report, Assessment of Medicaid and SCHIP Enrollment (ACF-210).

OMB No.: 0992-0007.

Description: Public Law 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), established the Temporary Assistance for Needy Families (TANF) Program. It also included provisions for rewarding States that attain the highest

levels of success in achieving the legislative goals of that program. The purpose of this collection, which is a proposed extension of a collection currently in use, is to obtain data upon which to base the computation for measuring State performance in meeting those goals by providing Medicaid and State Children's Health Insurance Program (SCHIP) work supports. HHS will use the information to allocate the Medicaid/SCHIP portion of the bonus grant funds appropriated under the law and implemented by 45 CFR Part 270 published on August 30, 2000. States will not be required to submit this information unless they elect to compete on a Medicaid/SCHIP measure for the TANF High Performance Bonus awards in any Federal fiscal year for which Congress authorizes and appropriates bonus funds.

Respondents: Respondents may include any of the 50 States, the District of Columbia, and the U.S. Territories of Guam, Puerto Rico, and the Virgin Islands.
